Dear Mr. B.C. & Hamd. Mrs

Delighted to know you are having a good time. I cannot understand the word 'busy' — It isn't necessary to enquire how the business is considering ~~that~~ we heard a boat in since you left. I am glad you like your new home. Mrs Scott Mitchell's string has gone, it is fortunate Mrs F. asked you to bring some on send if possible. The racket & walking stick are safe. Jaffy

laughed at the message you sent him. With his "What?, What?" Kind regards & very best wishes for the New Year, Sincerely
