TICHBORNE, Nick (Dad). —

For the past 16 years
you've stood by me, but
on Friday 8th you drifted
away.

I think of all the fun times
we had together, the good
and the bad.

It was just good knowing
you were around,

But now you've gone to be
with your Mum and Dad.

I know we will meet again,
Until then, Love you
forever,

— Monique xoxoxo

TICHBORNE, Nick. — Nick
your cheery hello! hello!
will be remembered.

Your enthusiasm will
remain,

You've run a great race,

We will remember your
name.

— From your friends and
colleagues from the
Havelock Gym Mel,
Tony, Malcolm and
Leanne.

**TICHBORNE, Adrian
Nicholas.** — Respected
cousin and friend. Nick,
we'll always remember
you for that twinkle in
your eye, that joke you
always had ready and
your fairness and
willingness to see both
sides of things. Too
young to go.

— Chas, Caroline, Hayley
and Nicole.
