

Paretaï.

Hastings.

October 26. 1936.

My dear Aunt Mollie.

I am sorry I have been so long in writing to thank you for your very nice letter of good wishes and congratulations, but, the fact is we have been pondering over the name question ever since he arrived & I have

put off writing until it was settled.

He is to be

Michael Montague Faekner after much discussion - Anne is thrilled as she named him Michael when she saw the baby first & has always called him by it - Eric liked Anthony, I liked David but neither of us liked the others' choice so it is to be Michael as we both like it & have got

3

used to Anne always using it. We were quite unaware until we had settled that one of Mr Jack Nelson's sons is Michal too, I think this is a pity, but, Eric says they will only be step-sons - once removed and will not be confused.

His birthday was Aug 24⁹

Anne is fascinated with him & it will do her a lot of good not to be the only pebble on the beach. Michal is growing like a

mushroom - almost smiling
now & weighs over 11 lb.

Eric sends his love & thanks
for your birthday greetings to
him.

Jean Archer is over to the
family's delight & looks so
prettily & well -

We were very interested in
the news of Constance & Patricia.

What a wonderful trip
Constance sounds to be having.

Eric sends his best love
with mine & thank you
again for your thought of
us all - Yours affectionately,
Guidi.
