

Waukegan

Sept 17 29

Dear Mrs H. P. Home,

I have an envelope addressed to me by Constance Home, containing photo of a most interesting nature - viz - a sweet looking Bride, "real good" & I sincerely hope that Bride is enjoying life as she deserves & that her Partner is pleased with his deal. Glad to hear this morning that the old Dad is mending, poor old chap he gets no luck!

Lots of love to you both

From the old G. D.
