Quality Honey
The New Zealand Way

The amazing living Bee wall

- **See** thousands of bees at work through the glass wall.
- **View** a video and talk with experienced staff to inform and guide you.
- **Tour** the packing and processing plant. (by arrangement.)
- **Purchase** from a wide range of honeys, health products, cosmetics and novelties from our Honey Shop.

Exciting, well-stocked Showroom

HAVELOCK NORTH

Come to lovely Havelock North, nestled beneath the distinctive Havelock hills, for a fascinating experience at the Southern Hemisphere's largest honey producing enterprise...Arataki's Honey Shop and Factory.

Follow the progress of the bee from queen and hive to flora and pollen...to the final delectable golden honey product. See and sample all the unique flavours of honey.

Visitors leave with a remarkable experience, having entered the world of the hard-working, marvellous little honey bee.

Skilful expertise

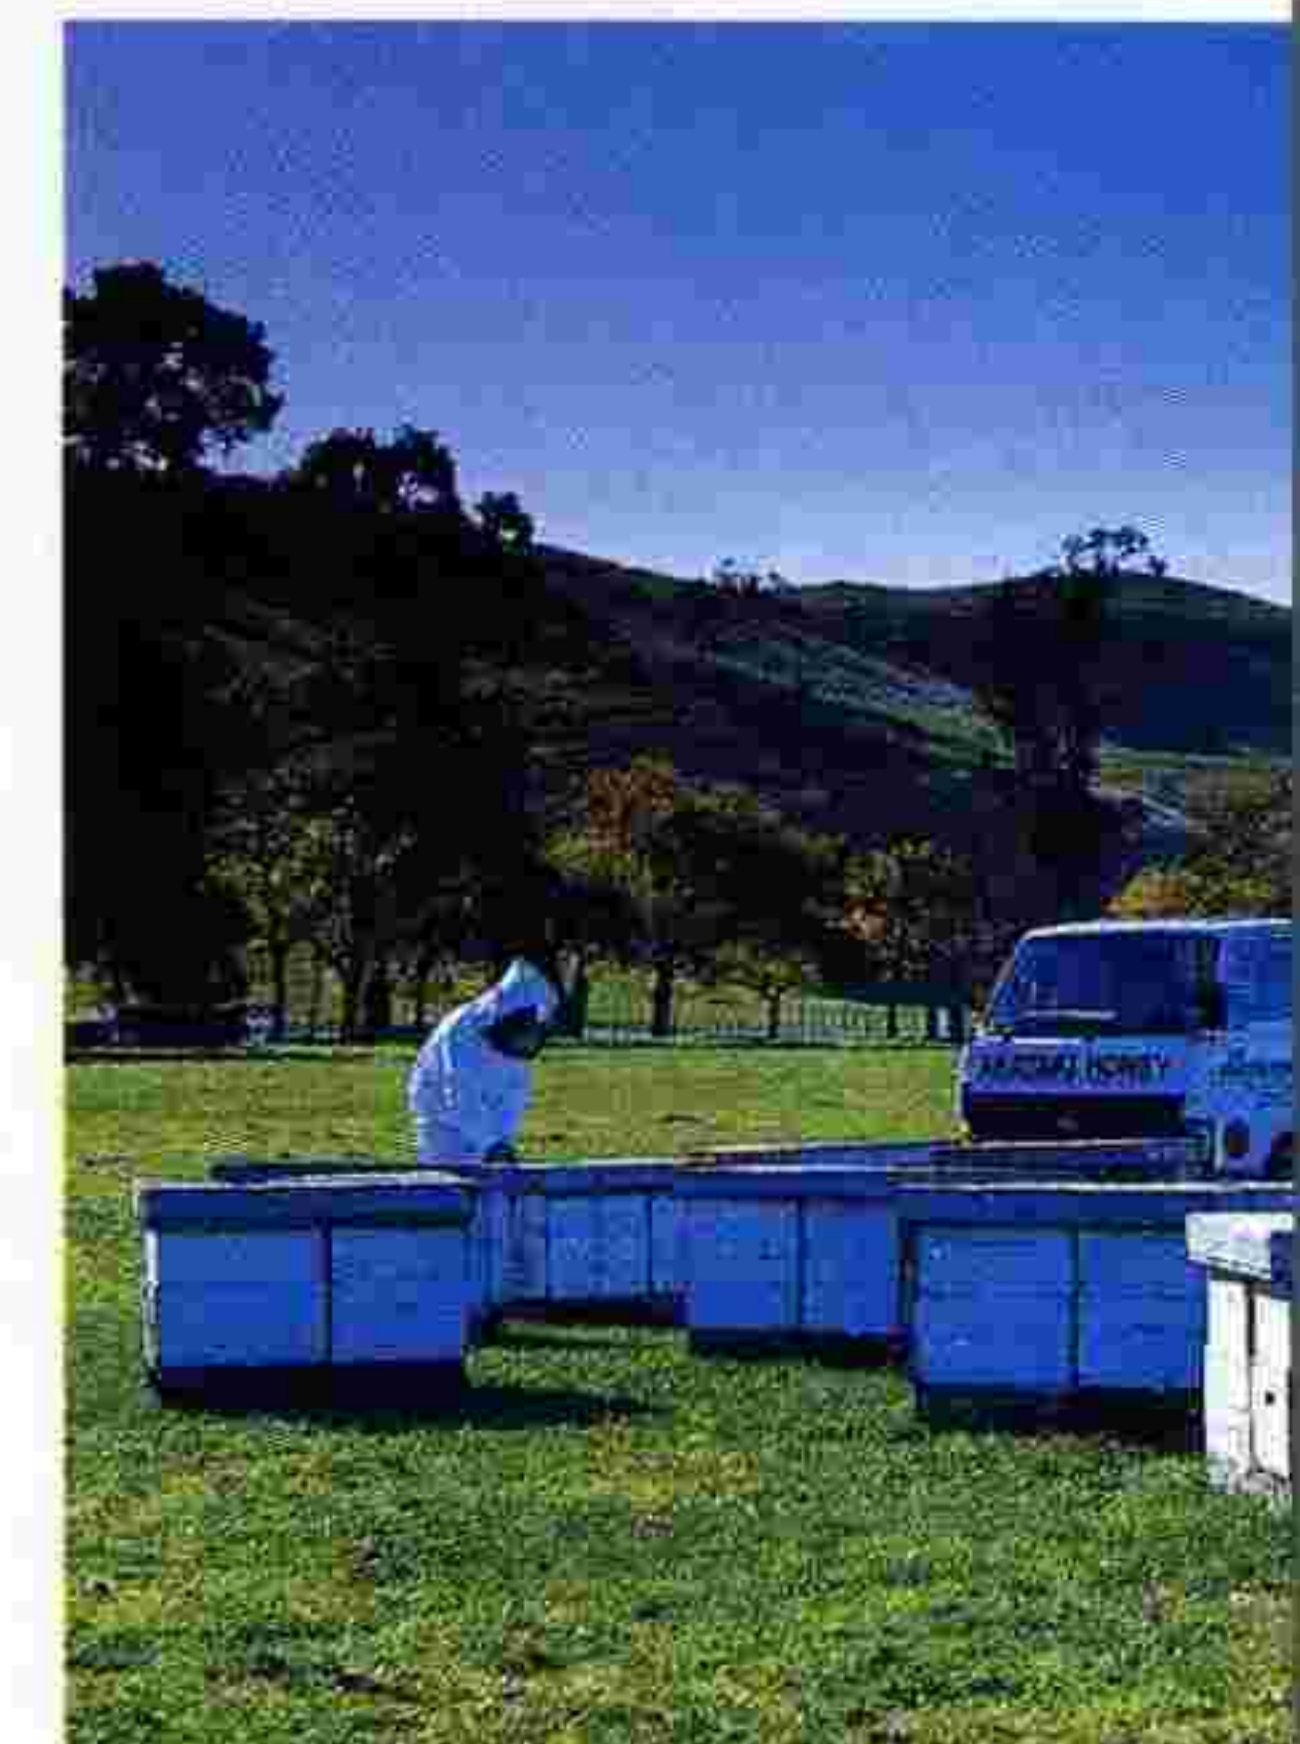

Be amazed by the wonder of the honeybee.
Taste the delight of pure New Zealand honey.

Varieties include:

- Clover
- Manuka
- Rewarewa
- Tawari
- Blue Borage
