## ***Battle Hymn of the Republic***

Mine eyes have seen the glory of the coming of the Lord;  
He is trampling out the vintage where the grapes of wrath are stored;  
He hath loosed the fateful lightning of His terrible swift sword;  
His truth is marching on.

*Glory! Glory! Hallelujah!  
Glory! Glory! Hallelujah!  
Glory! Glory! Hallelujah!  
His truth is marching on.*

I have seen Him in the watch-fires of a hundred circling camps;  
They have builded Him an altar in the evening dews and damps;  
I can read His righteous sentence by the dim and flaring lamps,  
His day is marching on.

## ***Jerusalem***

*And did those feet in ancient time  
Walk upon England's mountains green?  
And was the holy Lamb of God  
On England's pleasant pastures seen?  
And did the countenance divine  
Shine forth upon our clouded hills?  
And was Jerusalem builded here  
Among those dark Satanic Mills?*

*Bring me my bow of burning gold!  
Bring me my arrows of desire!  
Bring me my spear! O clouds, unfold!  
Bring me my chariot of fire!  
I will not cease from mental fight  
Nor shall my sword sleep in my hand  
Till we have built Jerusalem  
In England's green and pleasant Land*
