1990

TERM 1, 1990

- 1 February The school opened with a roll of 50.
Staff - Mrs Pam Gunson NE - Yr 2, 13 pupils
Mrs Marion Croad Yr 3 - Std 3, 20 pupils
Mr Tony Simons Std 4 - Form 2, 17 pupils
Mrs Sue McRae Teacher's Aide/Clerical Assistant
- The school year has begun with the legislation of "Tomorrow's Schools" in place. We are now on our own. The Education Board has been dissolved and we have been granted a sum of \$50,013 (not including teachers' wages), to run the school for the year. The school charter is complete but now needs changing because the Minister of Education is not happy with the wording (after he suggested the wording in the first place). The charter must now be ready by the end of the first term, 1990. The first week of school itself has gone very well. The children have settled into school life well and the teachers seem happy at this stage. We are all working on kites to be ready for the international kite festival being held in Napier on 9th February to celebrate 150 years of the signing of the Treaty of Waitangi.
- 9 February Today the well-drillers arrived to begin drilling a new well. We found the old well had run dry during slightly dry spells, so the Ministry has agreed to pay for the drilling of a new one. The drilling of the well has been very slow. The drillers got to a depth of 9 feet before hitting a rock and breaking the drill. Since the 1st of February the drillers have worked for only 3 days. Not a good record. Today we were to go to Napier to participate in the international kite festival. We have been making kites all week in anticipation (made some beauties too) but the day dawned wet so it was cancelled. We had a large number of disappointed pupils today. Marion Croad was away today so we had Rose Campbell relieving in her room.
- 24 February Waiwhare Sports Day.
- April The school and house are presently being painted. The job is being done by Ray Stewart and being paid for by the Ministry of Education.

TERM 2, 1990

- 5 June Arbor Day. The school planted a tree today at the south western corner of the playing field. The tree is a golden totara and was donated to the school by the Hastings District Council.
- 11 July I attended a meeting with members of the Ministry of Education held at the Sherenden Hall. We discussed aspects of property and maintenance requirements, NZEL, progress on "Tomorrow's Schools" programmes. The meeting was also attended by principals from the surrounding rural schools.
- 7 August The school attended the winter tournament competition held in Hastings. Rugby, netball, soccer and hockey games were played. Pupils performed well, the soccer team winning its grade in the competition.
- 16 August I attended the first day of the principal's conference held at Michael's Place in Napier. We listened to two speakers, both from Waikato University. As I had learnt nothing of value I did not attend the second day of the conference.
- 23 August The fancy dress ball was held at Sherenden Hall and we had the theme of "clowns" for the evening. It went really well and all who attended really enjoyed themselves. A magician (organised through Pat Tolley) entertained everyone for about half an hour. The kids really enjoyed him, particularly when he was about to cut off Callum McRae's head.
- 24 August School closed for the August holidays.

TERM 3, 1990

- 10 September School opened for the third term.
- 1 October I attended the principal's Task Force conference held at Peterhead School, Hastings.
- 4 October The senior school (Rooms 2 & 3) attended the Hastings and Districts cross-country schools' race at the Maraekakaho Domain. This was a really good course and all children participated really well. Our best runners were - Louise Wood, 4th 11 yr girls, Jason Goulding, 11th 12 yr boys, Jessica Arthur 14th, 12 yr girls.
- 9 October I attended a course on running records for reading held at Heretaunga Intermediate. Anthea Yule relieved in my room for the day.
- 11 October The Taihape Rd schools' cross-country run was held at Waiwhare School.
- 30 October John McNeill from the Ministry of Education came to discuss the problems experienced with the school's water supply. After much discussion three conclusions were reached -
- 1 That no more money will be spent upgrading the well.
 - 2 That a rain water tank will be placed behind Room 1 and water collected from the roof of Room 1.
 - 3 This water will feed the toilet block and staff room when the well runs dry.
- These are discussion points only at this stage - the Ministry approval for the work will need to be given.

- 2 November John McNeill returned with a plumber. They discussed at length the placing of the water tank. They have now decided to place a larger storage tank behind Room 2. This to be fed from the rooves of both Rooms 1 & 2. A pump would be purchased to pump water to the main toilet block and the staff room.
- 9 November The water storage tank was installed and water pipes connected. A water pump has been placed under Room 2 and power installed. Everything is now ready. All we need is some rain to fill the tank. The Taihape Rd schools held a D&A Day at Matapiro Domain today. An enjoyable day, with fine, sunny weather.
- 19 November Rooms 1 & 2 visited Cape Kidnappers to look at the gannet colony there.
- 19-23 November Room 3 spent a week camping at Waimarama. An enjoyable week was had studying rock pools, streams, orienteering, tramping, beach art etc. The weather was overcast and cool all week with some showers. The children went for only one swim because of the weather conditions.
