

HAWKE'S BAY EARTHQUAKE - 90 YEARS ON

In 1931, a 7.8 magnitude earthquake struck Hawke's Bay, killing 247 people and badly damaging or destroying buildings along the east coast.

Photo / File

1931 quake: the full toll

A full list of those killed in the 1931 Hawke's Bay Earthquake has been collated by **Christine Clement**. The Te Puke-based genealogist spent more than a year researching and attempting to compile a more accurate list of those who died as a direct result of the quake.
