21. In all classes where two or three prizes have been awarded, the Judges are directed to "very highly commend," "highly commend," or "commend" the other exhibits worthy of these distinctions, and honorary certificates will be issued accordingly. Power is also reserved to withhold a prize where Judges consider it ought not to be awarded for want of sufficient merit.

PROTESTS.

22. All Protests must be in writing, and may be entered either before or after the judges have proceeded to their duties, but no protest can be entertained which traverses the decision of the Judges. The party entering a protest must deposit £1. The deposit will be forfeited if the protest be not sustained. If the protest be lodged before the Judges proceed to their duties, the onus of proof will rest with the exhibitor; if after that, the onus of proof will be with the party protesting. No protest will be received later than two hours after exhibitors have been at liberty to inspect the prize tickets. The Committee will decide all protests as soon as practicable, and there shall be no appeal from their decision.
