8. All Prizes not claimed within six months after the date of the show will be forfeited.
9. Any person in any way interfering with or using improper language to the judges, or to any officer of the Society in, or as to, the execution of their duty, or being guilty of improper conduct on the Show Ground, may be disqualified from exhibiting at future Shows of the Society, and if an exhibitor at this Show, may forfeit all prizes he may have won.

10. 12. No distinguishing mark of ownership will be allowed on any produce entered for competition, and no proprietary tickets shall be placed on any exhibits without a special permit from the Committee.

13. No exhibits will be allowed to leave the ground or buildings until the close of the Show without a special order from the Committeeman in charge.

If there is no competition in a Class, only half points shall be counted in that class. "No Competition" means not more than one exhibitor competing. In the event of a tie, most first prizes shall count.

21. In all classes where two or three prizes have been awarded, the Judges are directed to "very highly commend," "highly commend," or "commend" the other exhibits worthy of these distinctions. Power is also reserved to withhold a prize where Judges consider it ought not to be awarded for want of sufficient merit.

## PROTESTS.

22. The determination of the Judge shall be final unless a protest be made and allowed on the ground of disqualification. Protests must be in writing signed by the protestor and delivered to the Secretary along with a deposit of £1, which may be forfeited if the protest be considered frivolous or vexatious. If the protest be lodged before the Judge proceeds to his duties, the onus of disproof will rest with the exhibitor; if after, the onus of proof will be with the protestor. No protest will be received later than two hours after exhibitors have been at liberty to inspect the prize tickets. #### DIRECTIONS FOR SCORING.

*Naming.*—Misnaming in plate and single-case entries disqualifies the entry. Collection and case entries will lose two points for each fault.

*Size.*—The standard size includes the margin of allowance above and below measurement as stated. Measurements within the margin limits will be allotted full points, but, all other score being equal, the determining factor will be the entry measuring nearest the actual centre of standard size arranged. Two points to be sacrificed for every 1-16th in. above or below the standard limits.

*Condition.*—In judging for condition consideration is to be given to the purpose of the fruit at the time of judging. In explanation: The aim for a plate of dessert apples or pears should be prime condition for dessert purposes when being judged, and points awarded accordingly.

Fruit for local market: The show-bench at time of judging should be treated as the market.

Fruit for export: The condition in which the fruit should arrive at its destination—say, six weeks later.

*Staging.*—Pleasing effect attained in displaying the fruit.

*Market Value.*—The popularity of the variety on the New Zealand markets, together with the condition of the fruit exhibited, to be the standard of value for allotting points.

#### APPLES.

Mr. Walter Webb's Cup, valued at £5 5s., (to be won three times before becoming the property of the winner) will be awarded to the Exhibitor scoring the highest number of points, and the H.B.
