GENERAL.

7. In the event of there being no competition, no prize will be given, unless the judge certify to particular merit. Competition shall mean two or more exhibits in the same class.

8. All Prizes not claimed within six months after the date of the show will be forfeited.

9. Any person in any way interfering with or using improper language to the judges, or to any officer of the Society in, or as to, the execution of their duty, or being guilty of improper conduct on the Show Ground, may be disqualified from exhibiting at future Shows of the Society, and if an exhibitor at this Show, may forfeit all prizes he may have won.

10. Should any person or firm deliberately infringe any of the rules or regulations of this Society, or refuse to comply with the request of the Committee, the Committee shall have power to suspend such person or firm from exhibiting at the shows of the Society during such period as they may think fit.

11. All persons admitted to the Show shall be subject to the rules and order of the Committee, and in the event of misbehaviour on the part of anyone attending the Show, such persons may be removed by order of the Committee or any three members thereof.

12. No distinguishing mark of ownership will be allowed on any produce entered for competition, and no proprietary tickets shall be placed on any exhibits without a special permit from the Committee.

13. No exhibits will be allowed to leave the ground or buildings until the close of the Show without a special order from the Committeeman in charge, except calves and lambs, which may be removed after 3 p.m.

14. Grain and seed exhibits shall not be opened till the Judge is ready to begin, and none of the public or exhibitors will be allowed in the Show rooms until the judging is finished.

15. A selling price may be attached to each exhibit in the Classes for grain and seeds.

19. Judging of Fruit will commence at 12.30 p.m. on Tuesday, 18th March, and other exhibits on the same day at 1.0 p.m., with the exception of Calves, Lambs, Poultry, Fancy Butter, Dressed Poultry, Eggs, and Floral Exhibits, which will be judged at 9 a.m. Wednesday, 19th March.

20. For the Points Prizes, points shall count as follows:—If five or more entries:—1st prize, 6; 2nd, 4; 3rd, 2; v.h.c., 1. If less than five entries:—1st, 6; 2nd, 4; 3rd, 2; and no points for v.h.c. If there is no competition in a Class, only half points shall be counted in that class. "No Competition" means not more than one exhibitor competing. In the event of a tie, most first prizes shall count.

21. In all classes where two or three prizes have been awarded, the Judges are directed to "very highly commend," "highly commend," or "commend" the other exhibits worthy of these distinctions. Power is also reserved to withhold a prize where Judges consider it ought not to be awarded for want of sufficient merit.

PROTESTS

22. The determination of the judge shall be final unless a protest be made and allowed on the ground of disqualification. Protests must be in writing signed by the protestor and delivered to the Secretary along with a deposit of £1, which may be forfeited if the protest be considered frivolous or vexatious. If the protest be lodged before the

Judge proceeds to his duties, the onus of disproof will rest with the exhibitor; if after, the onus of proof will be with the protestor. No protest will be received later than two hours after exhibitors have been at liberty to inspect the prize tickets. In the Field Exhibits, Protests will not be received later than noon on the second day of the Show. The Committee will decide all protests as soon as practicable, and there shall be no appeal from their decision.

They shall also see the prize cards and ribbons properly affixed to the prize exhibits and arrange among themselves for the constant and effective supervision of their sections, the behaviour of the attendants, and the comfort and convenience of both exhibitors and the public.
