

**THE
DRACULA
SPECTACULA**

DRACULA SPECTACULA

In this bubbling modern extravaganza for the young, the immaculate Miss Nadia Naive and her three pupils are swung into riotous Transylvanian happenings with the irrepressible Count and his gruesome acolytes.

On the side of right are the noble Nick Necrophiliac, Father O'Stake, the cuddly Hans and Gretel and their fuddled friends. Can they prevail over the forces of darkness — when these include the creme de la horrible creme such as the Countess Wraith, Genghis the grovelling minion, the Zombies, the fanged Brides. . . AND the dynamic sanguineous gentleman, Dracula, the Prince of Vampires?
