Trouble In Pantoland

There is something wrong with the wicked Queen's Magic Mirror & Cinderella has been left at the altar, waiting for her prince charming. For He whose name no – one can remember , a seriously evil wizard has invaded Pantoland & all the heroes have disappeared. What will the Wicked Queen do with no hero to save the day? Who will help the Queen? Her obsessive compulsive stepdaughter Snow White, jilted Cinderella, a property developer Sleeping Beauty or perhaps a frog?
