2007

The Napier Operatic Theatre School has been operating since 2000.

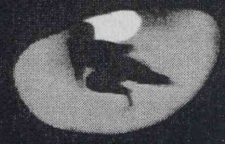

Our goal is to develop performing arts with children on and off stage.  
We encourage young people by training them in monthly workshops and  
producing a production each year for the members to be involved in.

Our workshops include lighting, make up , singing, dancing, prop making and  
costume design.

If you would like be involved please contact Irene at 8357216.

The theatre school operates for children aged 5-16 years old.
