# HAWKE'S BAY *Jazz* CLUB

The Hawke's Bay Jazz Club aims to promote jazz and other forms of music to encourage active musicians and provide other forms of entertainment for non-playing members. The club is a non-profit organisation and charges its members a nominal annual fee of \$20. All funds raised are used for the benefit of the members. This includes a monthly newsletter, monthly club nights, and subsidising the costs of visiting musicians. Funds left over at the end of the year subsidises the club's Christmas party.

Our club membership is now in excess of 230, and with an active committee we are looking forward to another wonderful year of music with local and visiting artists.
