Land of Hope and Glory

Land of hope and glory
Mother of the free
How shall we extol thee
Who are born of thee
Wider still and wider
Shall thy bounds be set
God who made thee mighty
Make thee mightier yet

Hello Dolly

Hello Dolly, Well hello Dolly
It's so nice to have you back where you belong
You're looking swell Dolly, we can tell Dolly.
You're still glowing, you're still crowing,
you're still going strong
We feel the room swaying,
for the band's playing one of your old favourite
songs from way back when
So take her wrap fellas, find her empty lap fellas
Dolly'll never go away again

Jerusalem

And did those feet in ancient times
Walk upon England's mountains green
And was the holy lamb of God
On England's pleasant pastures seen
And did the countenance divine
Shine forth upon our clouded hills
And was Jerusalem builded here
Among these dark satanic hills

Bring me my bow of burning gold
Bring me my arrows of desire
Bring me my spear
O clouds unfold
Bring me my chariot of fire
I will not cease from mental fight
Nor will my sword sleep in my hand
Till we have built Jerusalem
In England's pleasant land
