Farewell

The Irish Blessing

May the road rise up to meet you.
May the wind be always at your back.
May the sun shine warm upon your face;
the rains fall soft upon your fields
and until we meet again,
may God hold you in the palm of His hand.

What A Wonderful World

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying how do you do
They're really saying I love you

I hear babies cry, I watch them grow
They'll learn much more, than we'll never know
And I think to myself, what a wonderful world

Hawke's Bay Today advertisement on the occasion of Len's 70th birthday

OFFERS wanted for genuine 1933 model LENZIE in fair condition, only one of its kind, (praise the Lord), this one owner model, known as the Early Morning Riser, is becoming difficult to start, but on occasions can still perform exceptionally well on high octane Gilbys or Gordons, Headlights inclined to dim when tank approaching empty, crank shaft needs replacement, one big end stuffed, but otherwise in reasonable original all round condition, no rust, but rot starting to set in, Lady vendor would consider straight swap for latest model V6 De Luxe Mitsubishi Saloon, Urgent sale required as new garage too flash for this vintage LENZIE. For inspection phone 878 7624 any time on Tuesday August 3.
