Why are we here?

All Saints Anglican Parish of Taradale has embarked on a major building redevelopment. This will see the existing hall given an "extreme makeover" and around 450 square metres of additional floor space added.

This will allow the parish to better meet the growing needs of our community.

Features of the development include:

- A children and family centre
- Disabled friendly access throughout
- A commercial kitchen
- A modular stage
- A church lounge
- A youth centre
- A rationalised administration area

As you have heard tonight, we have been fund raising for 2 years and are approaching \$770,000.

If All Saints has been an important part of your family's story and you would like to contribute, please contact John Marshall on 8444 788.

Thank you to our celebrities, the army of volunteers who made tonight possible and to you for your continued support
