Amazing Grace (Piper B. Menzies)

Dear friends,

Talent, class, pitch and personality all describe this evening we are about to experience with Hayley backed by her musical director David Selfe.

Hayley will give us moments of emotion that only a gifted voice can do. For one so young to have sold double platinum albums and to be embarking on such an exciting career internationally, we are very lucky to have her at Brookfields Vineyards this evening.

Thank you to Gary Bowler and the Woodford Choir, Piper Bill Menzies, and last but not least Gray Bartlett (Hayley's Sole New Zealand Agent) who has worked closely with Brookfields Vineyards for a number of years
