WELCOMING HOME OUR OFFICE: My office boy says
he sees his a responsible position in our
office - every time something happens, he's
responsible.

WELCOMING THE GOVERNOR: This is our evening meet-
ing that will not be Gray. The District
Governor's visit is to assist our Club in all
matters and help us in our endeavours to set
and attain goals. Preparation is needed by
all Club officers to ensure the success of
the Governor's visit. The official visit
covers three parts: (1) a conference among
the Governor, the President and the Secretary
of the Club Assembly and (2) the Governor's
address to the Club. Our committees will be
functioning smoothly, and each Committee Chair-
man will have provided a written report
specifying his committee goals and objectives.
During his visit, the Governor will take the
opportunity to discuss with the Club by hold-
ing an effective Club Assembly and by deliv-
ering to the Club a comprehensive Rotary address.
We welcome District Governor Leighton Patmore to
the Rotary Club of Hastings - where "We
Care" for the ideals of Rotary.

WELCOMING THE GOVERNOR:

mittee members attending are asked to assemble

WELCOMING OUR MEMBERS: He has received advice
of Mike-ups from our fellow Rotarian Peter
Young at present overseas and we take this
opportunity to extend advice openly from
the Club to Peter on the sad occasion of his
visit to California, U.S.A., at the passing
of his grandfather, Dr Nelson.

PRESIDENT'S COLUMN:

Fellow, What a great day we have had
Tuesday with the awarding of the Paul Harris
Fellowship to George Pascoe. If ever a
Fellow deserved this honour, it was George.
I was thrilled and honoured to make the
presentation on behalf of the Rotarians who
made it possible through their financial
contributions. I was so pleased that
George was able to be present and take part
in the proceedings. You know fellows,
George worked as George's secretary for
Student Exchange, and has probably put in
just as many hours' work on the programme
as George. To you both, can I once again
offer on behalf of the Club our congratu-
lations on being honoured in this way and
our sincere wish that you will enjoy many
more happy years with the Hastings Rotary
Club. My special thanks to Jim Sedarwe,
Brian Campbell and Jack van Schagen for
the work they did in organizing "The
Buddy Fund" from whence came the \$1000
paid to Rotary Foundation for the Fellow-
ship.

I feel every member of the Club would be
interested to read the wording on the
certificates presented to George. It reads -
"In appreciation of tangible and signifi-
cant achievement given for the furtherance
of better understanding and friendly
relations between peoples of the world
GEORGE BUCKEY is hereby named a Paul Harris
Fellow."

Thank you, Bill Pascoe, for a most
interesting talk which made last Tuesday,
November 1st, a day many of us will remem-
ber for a long time to come. Don

REGISTRATION FORMS - COMPLETED EARLY FORMS:
Just to let you know the 32nd Annual Golf
Forum will be held again this year on
Sunday, 20th November next, and to give
you time to shake the worms out of those
plus-courses. Names will be taken next
Tuesday to make up the Golf Team - more
soon, Bill.

REGISTRATION FORMS - COMPLETED EARLY FORMS:
COMPLETED EARLY FORMS - MARCH 1978: Last Tues.
our Conference Liaison Officer, Bob Fish,
distributed Registration Forms and advised
he has more forms available for our members.
It is stressed that early registration is
essential for the desired accommodation,
particularly if our members wish to stay on
a club group - block booking is necessary,
and confirmation of attendance is request-
ed with the early return of Registration
Forms. Don't forget also to cut the camping
on a Group Club. We would mention that
interest throughout the District is high
and it is possible a limit may have to be
set on members attending. We'll tell you
more about the Conference next week - in
greater detail - in the meantime take home
a Registration Form - and register soon.

MEMBERSHIP OF THE CLUB:

I wonder if - our Barker's having the

a good combination.
