(Bill) Switzer, R.I. First Vice President, as Vice Conference. Vice President Hill is a member of the Administrator of the Virginia Polytechnic Institute since 1955. Make yourself known to

his personal representative at our Institute and University and has been a Rotarian since 1955. Make yourself known to him when you attend the Conference.
You will note we have called this President's Column, because we consider our President received a pat on the back in respect of a letter received from Eastern Hemisphere Department, R.I., - extracts listed below: "Your Club's Fellowship and fine activities were commended by your District Governor recently.... In addition to the work you are already doing in community service, you may want to give greater emphasis this year to projects in Vocational service. Community courtesy, seminars on business ethics and awards to private and governmental employees, are some ways in which the Rotary Club of Hastings might practise service through its members' vocations. Best wishes for a most successful presidential year."

Follows, There is quite a lot happening in the next month. Would you please note the following in your diaries as **IMPORTANT ROTARY DATES,**

1. 14th February. Subject to confirmation, which I shall give you on Tuesday, there will be no luncheon meeting on Tuesday, 14th February. The meeting will be held that evening at the D.S. Horewags and will be a combined one with Starvation Lodge and Hastings Rotarist. This will be a social meeting and we would like to see as many wives as possible attending.
2. Saturday, February 17th. The Combined Services Clubs will be distributing a Membership to launch the CSM programme. 50 odd Fellows will be required to give 2/3 hours of their time to complete this project.
3. And of course you will all be involved in the Monster Sale Day, Saturday, February 18th. **See.**

H.O.P.E. - This is a group of Christchurch parents, gathered together to help other parents, whose children have malignant disease. The group is made up of seven couples who have lost a child and seven couples whose children are under treatment. Members give and receive child-care services to allow others to visit children in hospital, to have an evening out or get away for a weekend. They also plan to arrange meetings away from home several times a year for all the families together. The overall aim is to relieve the stress and tension imposed on a family by a sick child. The Canterbury Welfare Federation will assist the group in any way possible. **Make this could be a project for one of our committees to help others form a group in an area - where H.O.P.E. may be needed.**

THE WILKIE CLUB AND HOME: The five Rotary Clubs in Hamilton have decided to combine in a project to raise \$140,000 for the Wilkie Centre for the Blind. All Welfare Clubs will be asked to support a telephone appeal on 10-19 April this year, for this important community need in the Waikato area.

CONFERENCE REPRESENTATION: R.I. President Jack Davis, advises the appointment of R.E. as his personal representative at our Institute and University and has been a Rotarian since 1955. Make yourself known to him when you attend the Conference.
