Dear Myrtle,

I have also drop you
a line and hope you
are quite well. I have
sent you a P.L. of
the Main St of Hastings

is the one street from
top to bottom. I do
miss the children and
Mrs Harris now they
have gone back home
XXX XI

but do you think there is a
chance of you coming up
for a holiday now I would
like you both to try and
do your best and get on
the right side of your Mum.
or Dad to let you and Eileen
come to-gether when you have
your holidays or better still
to come at Xmas time
dont let the reply be nothing
else but (yes we are coming)
love to you all best regards to
mum & dad. From Your loving friend
