Alice Dailey once wrote :-

The future of the race lies in the hands of young people everywhere. They are the parents of the coming generation and the engineers who must implement the new civilization. What we do with them and for them is momentous in its implication. Our responsibility is great and our opportunities great.

We thank you David and Bath for the time and effort you gave to the Music Festival. Whilst the cost to the club was high, can you weigh up the cost financially when these young people are prepared to work so hard to put that extra something into life, for these young people are our future.

RYLA

The Ryla Week will be held at St. Peters School, Cambridge, starting May 14th. Rai Apatu is calling for nominations of young people between the ages of 18 to 23 to attend this Rotary Youth Leadership Course. If you know of any suitable candidates, please contact Rai for further information.

DISTRICT GOVERNOR Chas Woolley attended our meeting on 15th March and reported that Rotary Clubs in New Zealand had contributed \$33,000 to the Gisborne Flood Relief. This particular fund is being administered by a committee of Gisborne Rotarians. Our club's contribution of \$500 was handed to Chas at that Luncheon Meeting.

DEDICATED TO PEACEPRESIDENT ROD'S PIECE

Well Fellows, this is my last President's corner. Normally, I wonder "What shall I write?" Today I have no problem. There are so many people to thank for the smooth running of our Club. (I am sure that the Swiss Watch Company would be envious.)

To the front-line troops who fight the endless paper war, Frank and Colin - thank you both. Committee Chairmen, who held the ranks together, well done. To our Sergeants who administered justice when it was most needed, we complain not - thank you Ron and your great team. To our venue men under the able leadership of Cyril who prepared the mess for each meeting and was always there hours early - what would we do without you.

Keeping the troops entertained is an unenviable task, but one headed up and run so professionally by Ian. I am sure that you can now board a plane without all the businessmen hiding from you Ian. (For fear that you may ask them to grace us with their presence.) To you and your team Ian, a most appreciative thank you.

To Field Marshall Ted, who kept his eye on the operation, our cashier Royden and attendance officer, Allan, who noted who was AWOL - thank you Fellows.

Dear John: who makes music flow and seems so "easy", our Host Keith, who made our visitors feel welcome, before going to the fellowship table named by Brian, only to be insulted (I told you I would have the last say Brian). Thank you chaps.

A very special thank you must go to our Bulletin team headed by Don, who have kept us up-to-date with news from the "front". Thank you also to our Directors and V.P. Ian who have kept a watchful eye on the year long operation.

And the biggest thank you must go to the Club as a whole for your support and encouragement over the last twelve months. Once again thank you Fellows.

PRESIDENT IAN'S CORNER

I have received a letter from Cheryl Kramer, thanking the Club and her host families for her year in New Zealand. In her words, "It was the best year of my life." Cheryl is now attending the University of South Dakota in Vermillion.

The Club's Annual Meeting is to be held on the 4th October and it is proposed to take the opportunity to deal with a number of other interesting items. A full attendance would be appreciated; perhaps we could aim for 100% that day. Mark it in your Diary now!

The Rotary Club of Blenheim South, is soliciting mail orders for cases (12 bottles) of Marlborough's Merlen wines. For those of you who do not know Merlen, the company was formed to build a winery for putting to work the winemaking skills of Almuth Lorenz. 1988 is Almuth's seventh vintage in Marlborough, during which time she has enjoyed high acclaim and has several national and international awards to her credit. For each mixed case of wine sold on one of the special "Rotary" order forms, Rotary will receive \$16. Of this \$11 will go to our Club Project account. Let me have your orders now and be in good time for Christmas. A case contains 4 each of Riesling - Gewurztraminer - Muller Thurgau.

Sunday 28 January 1989 Charity Golf Tournament

PRESIDENT IAN'S CORNER

Lee Barradell, our Guest Speaker this week, is certainly an outstanding young professional young lady and our Club and Rotary at large can be well pleased at having selected her as a Rotary Foundation Graduate Scholar, to study in USA. Despite wider opportunities elsewhere it is pleasing to hear her say she has decided to stay and work as a pharmacist at the Hastings Hospital.

Rotary Charity Golf Tournament - Sunday 29 January (only 8 weeks away)

This is to be our principle fund raising effort for the year and I am really seeking the support of all club members, to obtain sponsors at \$50 per sponsorship. Details at next club meeting. John Cornelius has the actual tournament organising well underway.

MEET OUR NEW MEMBER - MICHAEL (MIKE) BOYCE

Mike was born in Christchurch and completed his education at Taite College, Hutt Valley. He transferred to Hawkes Bay in 1966 and worked in the Fire and Accident Insurance field for 17 years and was then appointed manager of the Hastings Building Society, which position he currently holds. He and Delys have been happily married for 23 years. They have three children, Stewart, Allister and Jan-Maree.

Mike is a keen cricketer and a follower of all sporting codes. He is president of the HB Branch of the Dainler and Lancheater Owners Club and is keen on car restoration.
 Welcome to Rotary Mike and Delys.
