The method of funding the deposit with Metropolitan Life Insurance Co. is immediate participation guarantee contract. An analysis of accumulated plan benefits and plan net assets as of the latest actuarial valuation date for Rotary International and the Rotary Foundation is as follows:-

NEW ROTARY FOUNDATION SCHOLARSHIP FORMULA

ANNOUNCED BY TRUSTEES:

A new Annual Contributions Scholarship Formula governing the allocation of additional Scholarships was adopted in October 1983 by the Foundation Trustees.

For the next 15 years, extra Scholarships based on a per capita giving formula, have been awarded to Districts with outstanding contributions. But research studies recently determined that such a formula could sometimes result in a foundation commitment to Scholarship expense higher than contributions warranted; also small sparsely populated Districts could receive proportionately more additional Scholarships than larger, more heavily populated ones. So the Trustees decided to replace the per capita formula with an Annual Contributions Formula. This applies to contributions beginning in 1983-84 and determines the number of additional Scholarships a District can earn for 1986-87.

Here are the basics:

Every District will continue to receive at least one Scholarship. Additional Scholarships will be allocated to a District according to the following annual contribution schedule.

No additional Contributions (including Scholarships credit from previous year)

1.	U.S. \$42,000
2.	\$63,000
3.	\$84,000

etc. etc. (multiples of U.S. \$21,000.)

Each U.S.\$21,000 will provide for a Scholarship plus a share of all other Foundation programs. No limit will be placed on the number of Scholarships a District may earn annually. Contributions in excess of one level, but not enough for the year, will be carried forward to the ensuing year. Club and District plateau recognition formula will not be effected.

LIFELINE (H.B.) INC.: A Street Day Appeal will be held by Lifeline in Hastings and Havelock North on Friday 30 March, between the hours of 9 a.m. and 4 p.m.

Lifeline hopes many of our members will be willing to spare an hour during the day as collectors. Derek Burns, Chairman, Community Service, has all details and he would be pleased to forward collectors names to Lifeline.

ADVERTISERS - WEEKLY BULLETIN:

Just a reminder to the members who will be advertising on our new Club Weekly Bulletin. It would help if we could receive your advertising copy NOW, to enable our new Weekly News to be placed at our Printers.

CHANGE-OVER NIGHT: This is the night we see a change over of officers in our Club. We are very sorry to see them lay down their reins of office, but we are also thankful they have left a wonderful trail for us all to follow.

Change-Over Night is the night El Presidente Pedro ropes in his burro, sends his chaps to the cleaners, ambles to peaceful pastures, where he picks up his Mazda and heads for the Reserve. Meanwhile, back at the hacienda, the chief of the Parksito, adorns his Camisa with a Chain of Medals, and heads for The Big Wheel. Carrying the Bandero of Blue and Gold, his Cabarellos leave the field of Recreation, and ride on the Trail of Service.

Change-Over Night is the night we say thanks to the good guys who have led us through this Rotary Year 1983-84 in another exciting time in Adventure In Service.

Change-Over Night is the moment for us all to take this opportunity to say Thanks to President Peter, for his spirit and guidance during our 1983-84 Rotary Year. We express our appreciation to President Peter, and his wife Judy, for allowing us all to share with them another wonderful year of Rotary.

This is the night we give support to Incoming President John Mills and his wife Sue, as we prepare to walk together in another successful year in Rotary Service.

See you all there at Change-Over Night.

COMMITTEE CHAIRMEN (1983-84): All Committee Chairmen for the past Rotary year are requested to please have their reports from their respective Committees, handed to President Peter before the end of this month, June 1984.
