Decisions from last Directors meeting

- \$100 to Fire Board towards costs of Jaws of Life.
- \$100 to Hastings Air Training Corps.
- \$300 to Rotaract to help membership drive.
- The new pennants are available for sale to members at a cost of \$5. New "Hastings Rotary" pens now available at \$3. Both these items are obtainable from Mike Boyce.

From the Membership Committee

Membership growth is progress towards our Goal of Service ... carried out by men of quality ... men with that "special something", that will make ours an even better club. Help our club grow by proposing a new member. Share Rotary. Invite a prospective member to club meetings that may have a particular appeal for him - and alert other members to give him a special welcome.

ENJOY ROTARY!

Why are you a Rotarian? Is there a reason that you spend as much time as you do in Rotary? There has to be a reason. Will you let me try to answer for you?

There is so much pleasure in Rotary activities. The breakfast, luncheon, or dinner every week brings you in contact with your fellow members. Their diverse interests and knowledge stimulate your interest in your community. Of course, the weekly meeting is only the beginning. The planning for service projects both close by or across some distant horizon carries us out of our own self-interest and into the wonderful world of service to others. We find it a pleasing paradox to discover that we grow in stature when we give of our time and talent to improve the quality of life for someone else. How strange that when we give dignity to someone else, we grow in dignity ourselves.
