

Tower Bridge, London

LONDON W.

POST CARD

LONDON W.

2. - - - PM

Tower Bridge. - The picture shows the bascules open for the steamer to pass through. The raising of the bascules of course only two minutes. The elevation leaves a free height of about 100 feet and a passageway 200 feet wide.

2. - - - PM

The Address to be written here

19 OCT 15C

Valentine's Series
Pretty fit again now. I
enjoy my life. Went
to Isle of Wight to see
hoel - he may go out
any day now. This
is a fine country but
I want be sorry to
get home. Yours ever
A.H.B.
