Adresse

Dear Elsie.

It seems an age since I heard from you or Maggie, but expect you are both still living at the same address? My old place of residence has changed lately, I was sent from the fighting area, via Boulogne to Torquay to await shipment to N. Y. & expect to go with the next lot, so will drop in for tea & cakes one of these days, hope to find you all well

Yours sincerely  
H.S.
