Dear Harry,

Yours of the 4th to hand
& I must apologise for not writing before
this, but did not get to work till Tuesday of
this week, having been in bed for over a week

front are going.

business is. Personally myself Harry would
not buy that business unless it was at
my own price, be careful there is a good
amount, otherwise it will cost a lot
to stock up with. Well. Now buy & you go
on a salary & commission. That very bad
has buy away today. Hold on be careful & buy
just fifty up from it. There is another
love to all. You buy under names
