Dear Mom, Lily and all, Photo, Hastings
4/14/13

Am just sending this postcard as I have no particular news. How about the strikes they seem to be coming to terms, at least by "Hastings Tribune". The weather is once more fine again so I am going out in the fresh air. Yesterday afternoon I received

a P. B. from Mrs. Inman.

I wrote John telling him that I was not coming back until 14th inst. Annie cooking Rhubarb. I have managed gorse berries, but Rhubarb is beyond me. Jack says

I write so many letters that I cannot always write the truth. How is Lily and all, I hope well. Tomorrow we are going to Havelock and Thursday to Napier so you will know the reason if there is no letter.

With lots of love and kisses
Baby Girl
