Miss A Wright

Allanton Road,

Putram.

hope you are still
keeping up your
church collection.

Surprise Outram is still
in the same place. I received
papers with No. 2. football team
etc. but did not recognize.

nothing on photo. I'm on my way
along with a parcel in bag. One of the
3 boys has come to work as teacher
I think that's all that's fresh.
Kind regards to all,
Yours
A. Wright.
