Perle. For sports, afternoons, evenings... A DIFFERENT BEAUTY. You'd get a laugh on the courts in your sets. Disposed because of that kind of a laugh! Perle would not mean incongruous. A series of the finest of things with us when to make our own games. We can still say to make one foundation for every occasion. No tennis modern foundation is an all-purpose garment with a chemise-like way of going with decks as widely different in style and colour, line, length and fabric as you, your selected suit and your dance floor. Perle... makes your curves and get the 'fit' in a Beilol like this - sheer, practically bodice and apple enough for strenuous action. Plus everything you wear over it contact Beilol... and see how it adds to your attractiveness and point!

NEW FIVE HEALTH SERVICE SUPERANNUATION FOR EVERYONE PRIME MINISTER'S REVIEW

Extended Pension Scheme Outlined

A comprehensive outline of the Government's proposals for the establishment of a free health service in the Dominion, and also for national superannuation for men and women who are 60 years of age and over, was given by the Prime Minister (the Rt. Hon. M. J. Savage) in a radio address on Saturday.

The text of Mr Savage's speech was as follows: "It is my privilege tonight to announce to you the Government's proposals for the establishment of a free health service for everybody and for national superannuation for men and women who are 60 years of age and over."

The Government will provide the Publicity Commission and the Department of Education with the necessary staff and equipment to carry out the scope and objectives of the scheme.

A UNIVERSAL SERVICE

The Government proposes a national health service which will be available to all New Zealanders. It will be financed by a general tax on income and property, and will be administered by a central authority.

OLD-AGE PENSION EXTENSION

The present law of the old-age pension will be extended to include men and women who are 60 years of age and over. The extension will be made in stages, and will be completed by 1940.

FAMILY ALLOWANCE INCREASE

The present law of the family allowance will be increased to provide for a larger number of children. The increase will be made in stages, and will be completed by 1940.

SICKNESS BENEFIT PLAN

The Government proposes a new sickness benefit plan which will provide for a larger number of workers. The plan will be financed by a general tax on income and property, and will be administered by a central authority.

RISE IN PRICES AT SATURDAY'S WOOL SALE

CLIP SELLS FIRMLY AT NAPIER

Last of Season

1d Advance on February Rates

With the exception of lambs wool, which was a little freer, all classes of wool were in very steady demand on Saturday evening...

Compared with the last Napier sale, fleece wool was under 1½d at 100 lb weight, bidding was done and unmade, and sales making with spirited competition...

While it was generally anticipated that, because the sale is regarded as a clearing-up sale, quality would be below average...

Table with 4 columns: Sort, d, s, p. Rows include Best combing, Blue combing, Blue cross, etc.

There is no dependence on good sight for an inherent aptitude for judgment and decision. It is just as inherent as a talent for music, for drawing or for mathematics, and the same degree of individual variation can be readily recognized. That is, in essence, a mistake of the kind which is made by the majority of the public.
