Brother and Sister Dead in Crash

'PLANE'S TERRIBLE DIVE

Tragedy at Crownthorpe Settlement

Twisted Wreckage Official Investigation To Be Held

A woman pilot and one passenger, her brother, were killed instantaneously when a Hornet Moth, ZK-ACE, a biplane cabin machine belonging to the Hawke Bay and East Coast Aero Club, crashed with terrific impact four miles from Crownthorpe at 12.20 yesterday afternoon.

The victims were—
Miss Nellie Arnold, single, aged about 35 years; Flanck Nurse, of Pakowhai, the pilot.

Mr Roy Arnold, single, young man, also of Crownthorpe, pilot; passenger, brother of the boy.

According to eye-witnesses, the right wing of the machine appeared to crumple as the plane emerged from a dark cloud. The plane then plunged earthwards at terrific speed, hitting the ground nose first and piling up in a mass of twisted and torn wreckage.

The police were on the scene shortly after the accident. After the crash had been reported to Wellington, a telegram was received stating that the Inspector of Air Accidents had left by car for Hawke's Bay to investigate the accident.

It is reported that an inspection of the wreckage will be made this morning.

Miss Arnold, accompanied by her brother, left the Strick 7.45 Aero-Drome shortly after noon. According to the officials of the Aero Club, the plane they appeared to be in was a biplane, but it was found to be a monoplane carrying three people and was insured for £12,000. The machine was hopelessly mangled. It was found deep in the ground, and the front and rear wheels were broken and distorted. Many of the engine parts were scattered about. One of the wings was found about 100 yards away from the wreckage.

The Inspector of Air Accidents suggested that the machine had been struck by a storm and had burst into flames.

The bodies of the victims were buried yesterday afternoon, and the wreckage was removed to the Crownthorpe Settlement.

"WING SEEMED TO CRUMPLE FROM PLANE," SAYS SETTLER

Two Eye-Witnesses Describe How Machine Hurdled To the Ground

Two Crownthorpe settlers, Messrs A. W. Whyte and W. A. Turnbull, were eye-witnesses of the entire tragedy, and a third, Mr. G. H. Tressider, on whose property the plane crashed, was out of his house, after hearing the terrific crash as the machine hit the ground, in time to see wreckage sailing through the air.

Mr. Whyte, a war veteran, was in his garden watching the time. "I was alone, 200 yards from the place where the plane hit the ground, when the crash occurred, and I saw the wreckage sailing through the air."

Through the plane was now a piece of wreckage flying through the air. "I saw the wreckage sailing through the air. I saw the wreckage sailing through the air."

"When I saw the wreckage sailing through the air, I saw the wreckage sailing through the air. I saw the wreckage sailing through the air."

"I saw the wreckage sailing through the air. I saw the wreckage sailing through the air. I saw the wreckage sailing through the air."

STAIRS OF THE "WEDDING MARCH" STILL ECHOING

Further Marriages in Hawke's Bay Make A Busy Time For Clergymen

Already many young couples have said "I will" at the altars of Hastings and Napier churches this Easter, but the stream has not yet run dry. Several more weddings are to take place this week, and it is certain that at the end of it clergymen will have a gentle sigh of relief that, after a busy time of pre-wedding activities will also breathe prayers of thankfulness that they can return to their normal life again. But meanwhile... on with the March and let the bells ring out!

A quiet wedding at the home of Mr. J. H. E. E. was celebrated at St. John's Church, Hastings, on Monday, April 18th. The bride was Miss M. E. E., daughter of Mr. J. H. E. E. and the groom was Mr. J. H. E. E.

The bride's mother was Mrs. J. H. E. E. and the groom's mother was Mrs. J. H. E. E. The ceremony was performed by the Rev. J. H. E. E.

The bride and groom were accompanied by their bridesmaids and groomsmen. The reception was held at the home of the bride's mother.

The bride wore a gown of white satin and the groom wore a suit of dark cloth. The ceremony was a simple and beautiful one.

THE STIRRING STORY OF KAHUNGUNI

Glutful Triumph of an Exile

Following on the religious ceremonies last week, which celebrated the Sir James Carroll Memorial House on donations purposes, the naming of the more important carvings featured in the building's design was begun by Sir Aliphan, Ngata and the Memorial House architect.

The first piece to be named was the famous figure of a Maori chief in fighting attitude which surmounts the front of the building. This image was named Kahunguni. In remembrance of the great tribal tapanui or ancestor of the Waikato Maori.

This figure now has an added significance to it that represents the early history of the Kahunguni people. According to Maori history, Kahunguni was a famous warrior and his brother Wharua were born on the coast near Gisborne.
