PREVIOUSLY FLOOD SWEPT BY DISASTROUS FLOOD

Large Areas inundated BOAT RESCUES Hastings and Napier Isolated

DAMAGE TOTALS THOUSANDS OF POUNDS

Large areas of the low-lying country surrounding Napier and Hastings were inundated yesterday by one of the worst floods in the history of the province, following a torrential downpour for three days.

The township of Clive, between Napier and Hastings, was under water last night, and residents were rescued from the eastern portion by boat. The same conditions prevailed at Hastings.

Thousands of pounds of damage has been caused. Hundreds of acres of farm lands are lying under several feet of water; families have been forced to abandon their homes and many districts, losses of stock are believed to be several tens of thousands. Many roads are blocked by wash-outs and slips, and two large bridges, the railway bridge and the new concrete bridge on the road between Napier and Hastings, have buckled under a 30 ft. force of the swollen Tairāwhiti River.

No Main Roads Open

No main thoroughfares remained open to traffic last evening.

Napier was entirely isolated last evening. The north road to Gisborne was impassable, and also the road to Tangahou. The main road south and the alternate route through Pungahou were blocked. As the flood waters are still rising, it is likely that the town will be isolated for several days.

There was no communication with many outlying districts was cut off, and the exact extent of the flood damage in those areas is not ascertainable. Gisborne and Waikanae lines were also cut off throughout yesterday and early this morning.

Hastings was also isolated last evening. There were many families falling on the roads, and many persons were injured. The main road to Hastings was closed, and the main road to Hastings was closed, and the main road to Hastings was closed.

There were many families falling on the roads, and many persons were injured. The main road to Hastings was closed, and the main road to Hastings was closed, and the main road to Hastings was closed.

SPAN IN MAIN ROAD TRAFFIC BRIDGE NEAR NAPIER EN ROUTE TO HASTINGS CRASHED BY FLOOD.

The photograph shows a main road bridge near Napier, which was destroyed by the flood. The bridge is a large concrete structure, and the water is high and turbulent around it.

FARM LANDS LIKE A LAKE
Thousands of Tons of Water
Stop-Bank Breaks
Settlers Fight To Save Their Stock

Thousands of tons of swelling water, released by the breaking of an old stop-bank near Chesterhouse on the Ngairāwhiti River, swept across the flat lands and inundated farms near Palakawa, the Karuru Stream, and Whakatu yesterday. The flooding in this area, made more severe by the simultaneous flooding of the old Ngairāwhiti River (Karuru Stream) was probably the most serious in Hawke's Bay.

There were many families falling on the roads, and many persons were injured. The main road to Hastings was closed, and the main road to Hastings was closed, and the main road to Hastings was closed.

There were many families falling on the roads, and many persons were injured. The main road to Hastings was closed, and the main road to Hastings was closed, and the main road to Hastings was closed.

 MR JULL ON HOUSING POLICY
 Labour Critic

Of late the Government housing policy was again the subject of a "bitter" exchange of views between Mr. J. J. Callaghan, M.P., and Mr. J. J. Callaghan, M.P., in the House of Commons. Mr. Callaghan, M.P., in his speech, stated that the Government's housing policy was "a failure" and that it was "a disgrace" to the Government. He stated that the Government's housing policy was "a failure" and that it was "a disgrace" to the Government. He stated that the Government's housing policy was "a failure" and that it was "a disgrace" to the Government.

Quiet Evening Wedding
HASTINGS BRIDE
 Two Local Families United
GORDON-BEALE

A quiet wedding took place on evening recently with Miss Lane as bridesmaid and Miss Gordon-Beale as bride.

The bride, who entered the church with her father, wore an artistic beauty dress of ivory lace over white satin, trimmed with flowing tulle. Her hair was styled in waves. She carried a bouquet of white flowers. The bridegroom wore a tuxedo. The ceremony was performed by Rev. A. H. Brown, pastor of the Methodist church. The reception took place at the home of the bride's mother.

lets welcome meet the figure, and the full shawls were studded with pearls. Her hair was styled in waves. She carried a bouquet of white flowers. The bridegroom wore a tuxedo. The ceremony was performed by Rev. A. H. Brown, pastor of the Methodist church. The reception took place at the home of the bride's mother.

MR. J. A. MILLER TO STAND FOR HASTINGS MAYORALTY

Has Occupied Office as Fine Previous Occasions: Fine Public Service

Mr. J. A. Miller, a former Mayor of Hastings for five occasions and a member of the Hastings Association for many years, has announced that he will stand for the Mayorship of Hastings at the forthcoming election.

Mr. Miller, who is standing on an independent basis, has a record of public service which is well known to the community. His previous experience has included forestry, and the promotion of the Hastings Association.

Mr. Miller came from Ontario to Napier as a child. He was educated at the Napier Grammar School, Christ's College, Auckland, and the Canterbury Agricultural College (Hastings). He then spent three years on a station and in the engineering and wood cutting and sawing business, and more than 20 years in the public service, and with the N.Z. Railways.

He returned for two years to the Hastings district when he accepted a position with the Hawke's Bay Electric Co-operative Association as general manager. He was subsequently appointed to the position of manager of the Hastings Electric Co-operative Association, and was also a member of the Hastings Electric Co-operative Association.

The Parahi bridge almost obliterated at the onslaught of flood water which quickly inundated this area. Drains average six feet deep, has been done at Parahi.

Man in this flood had to wade for three days while battling the way along the road between Hawke's Bay and Napier. This area was trapped of the stockmen necessary everywhere as the water rose.

Thousands of cubic yards of soil covered the slip which completely blocked the corner of Hylton's Road and Parahi Road. Slips, badly reaching the houses on the far side of the road.

Acting the opportunity to find out a home-made mouse in a Hylton's street within a few blocks of the centre of the town.

The road to Pukekohe, where settlers have been driven from their homes to take refuge in the school, was heavily scored by the rip of the flood. A view of the flooding water.

A glimpse of the crushed remains of the house in Mark Street, Napier, which was swept to the down by a huge inundation. Mr. William Lee, the occupant, was severely injured and was taken to hospital.

The reason Pukekohe River, near Napier, overflowing past the railway bridge on the right and the bridge bridge on the left, which collapsed. In the centre of the photo can be seen the jobs of the old bridge.

A long view of the inundation in Mark Street, Napier, which covered away the house of Mrs. William Lee, leaving him. Other affected houses were viewed.

Clive and a family day and night, many being rescued by boats late last night. This family had water in the lower half of the day.

THE FLOOD PROBLEM

For the third time in the space of a few months, northern Hawke's Bay has suffered serious flooding. Damage and loss are being done to the extent that the Government's proposals, and it is evident that some substantial measure of State assistance will be necessary in order to carry out any scheme that can be established.

A major flood such as the present one passes beyond the limits of the local news, and its repercussions, that of the State. It is to be hoped, in the circumstances, that the necessary announcement will be made concerning the Government's intention to do this.

The fact that flooding has been experienced with such frequency recently creates the need for an urgent investigation into the whole problem of flood control in Hawke's Bay, particularly in the neighbourhood of the present State. It is to be hoped, in the circumstances, that the necessary announcement will be made concerning the Government's intention to do this.

GERMANY ENTERS NAVAL RACE Aim Is A Fleet Equal To Any In The World

Powerful Warships Planned

According to confidential reports to the American Navy Department, Germany is building up a fleet equal to any in the world, says the correspondent of the United Press. On a ship for ship basis Germany's new navy will be prepared to receive. However, it will inferior to Britain and America in power. Germany is building or has prepared for 33 warships, including five super-battleships, two aircraft carriers, three heavy cruisers, four light cruisers, 12 destroyers and 25 submarines. She has at least five capital ships, six light cruisers, 27 heavy and 20 intermediate destroyers, 100 torpedo boats and five destroyers are over age. Her fleet is valued at approximately 71,600 tons, but due to German weight-saving and construction methods, the vessels will be equivalent in size and strength to 83,000-ton vessels.

SLIP CRASHES ON NAPIER HOUSE

Elderly Man Injured Ribs Fractured by Falling Beam Debris is Sawn Through To Effect Rescue

Tearing away from the hillside about 4.30 o'clock yesterday morning, a huge slip crashed down on a house in North Street, Napier, in which William Lee, an old-age pensioner, was sleeping.

One of the beams fell across Mr. Lee, fracturing several ribs and clamping him in bed for some time. He was discovered by Mr. Charles Stevens, a millman, who was making his delivery. Mr. Stevens immediately rushed for help and accompanied with Messrs. William Riley and Edward Martin.

The beam was sawn through by Mr. Lee was removed to the Napier Hospital after he had received attention from Dr. G. E. Waterworth. Mr. Lee's condition was satisfactory last night.

Mr. Lee was the only occupant of the house. The house was moved forward 20 ft. by Mr. Riley and the beam was cut through by Mr. Martin. The top of the slip extended back a short distance further at the top of the hill it would have taken both men to get it down.

A representative of the Napier Fire Department, Mr. W. T. Hildner, and before he had removed his car from the house.

TWO DEAD AT GISBORNE

MAORI TRIES TO FORD RIVER FLOODED RIVERS Watersaler Falls Into Creek

By Telegram—Press Association. GISBORNE, April 25.—A Maori, Maki Mowry, was seen attempting to cross the Waikato River on horseback. The body of a motorist, Donald Wilson, was found floating in the Waikato River. Mowry slipped from a horseback into the river. As a result of slips and damaged banks, all roads out of Gisborne, and the main highway, are closed to traffic, and it is unlikely that they will be opened until the end of the month. Six bodies of men have fallen in the river, and it is believed that the bodies of two more men are still in the water. Wilson reports that in the middle of the night the water rose so high that it was impossible to get out of the river. The bodies of two men have fallen in the river. Two bodies are still in the water. The bodies of two men are still in the water.

RAILWAY BUS TRAPPED

NAPIER-HASTINGS HIGHWAY MANY PASSENGERS Walked to Safety Over Railway Bridge

Between twenty and thirty passengers were seen walking across the Hastings-Napier highway yesterday afternoon when the Napier-Hastings railway bridge was damaged by a flood. The water was so high that the bridge was impassable. The passengers were seen walking across the Hastings-Napier railway bridge. The water was so high that the bridge was impassable. The passengers were seen walking across the Hastings-Napier railway bridge.

TYPICAL FLOOD SCENES

RESCUES BY BOATS IN TWO TOWNSHIPS

Residents are Marooned in East Clive Area and Huamoa

Rescues by boat became a necessity as the floodwaters continued to rise in the East Clive district last evening. The Napier River, on a bank of which Clive is situated, started to revolve towards inland, and the floodwaters from the surrounding land affected the township.

All 12 boats on the river were 24 inch water, and boat rescues were being made in the darkness as fresh parties were manouevred. Boats taken from home to rescue colorblind flood refugees and bring them to the central hall, which was last evening still above water level.

Boats also played a prominent part in rescuing Huamoa residents from flooded houses late yesterday afternoon. Seven families from the low-lying areas were brought by boat to the Huamoa Hall.

Both roads from Huamoa to the beach were blocked by the rising water, which was in places four to five feet deep. In both areas boats were used in the main routes.

Late last night the floodwaters of the Taitahi which affected Huamoa had not subsided to any marked degree.

HEAVY DAMAGE IN NORTH

ROADS, BRIDGES AND STOCK Cause of Disaster?

View of Mr. C. Lassen

FARMS FLOODED

Many Last-Minute Rescues

Transmission damage to roads, bridges, stock and other private property was done in Northern Hawke's Bay yesterday by one of the most disastrous floods in living memory. The Napier-Hastings and the Napier-Taupo-Huamoa main highways became impassable, and only a few roads were left open for the day. Given to the general devastation of all roads, including telephone lines, it was impossible last night to gain particulars of the damage in any district from Napier. Scores of houses are flooded in many parts of the district and there are many tales of last-minute rescues.

Sheep, cattle and horses have been rescued in many parts of the district. In the Napier-Hastings district, sheep, cattle and horses have been rescued in many parts of the district. In the Napier-Hastings district, sheep, cattle and horses have been rescued in many parts of the district.

FIRE DAMAGE AT WAIKAPURAU. SIREN FAILED TO OPERATE. NOTHING SAVED. Motor Car Included in the Losses.

WAIKAPURAU. Considerable damage was caused by a fire which broke out at the building adjoining the residence of Mr. J. P. Kelly, Park Road, Waikapurau, on Tuesday night.

The fire broke out at about 10.30 p.m. and was caused by a gas stove which had become overheated. The fire spread rapidly and in a few minutes the building was a mass of flames.

The fire was extinguished by the Napier Fire Brigade, but the damage was considerable. The building was a two-story structure and the fire spread to the roof.

The loss was estimated at £10,000. The building was insured by the Napier Fire Insurance Co. The insurance company is expected to pay the claim.
