EFFECTS OF INCREASED PAY FOR TERRITORIALS

New Zealand Volunteers Are Now The Highest Paid In The World

No true volunteer joins the Territorials because of the money he will get out of it, but on the other hand no man who sacrifices his time and labour in undertaking this vital public duty should be out of pocket in doing so.

Actually it is made up of 7, 700 and 55,000 respectively for the rank and file, sergeants, and officers.

From the end of the last season, of late years pay for half the training year is distributed, so that the monthly pay is increased to £10 10s 6d.

There is no doubt that the Territorials are the best paid in the world, and that the Government is doing well to do so.

Table with 2 columns: Position and Pay. Includes Private (6/6), Lance Corporal (7/6), Corporal (8/6), Sergeant (10/6), Sergeant Major (12/6), Platoon Sergeant (14/6), Colour Sergeant (16/6), Lieutenant (18/6), Captain (20/6), Major (22/6), Lieutenant Colonel (24/6), Colonel (26/6).

BRIGHT PROSPECTS FOR CHILLED BEEF
Suggestions Made to Put the Trade On Best Footing

Regarding our chilled beef trade, I am glad to say that it is expanding satisfactorily above, local levels, and although there was many improvements in handling, feeding, and transport that can be effected, it has already in the past, achieved its credit in the general rise of cattle values as a much more comprehensive and profitable trade.

Concerning the quality of the beef shipped, this is not up to standard, that is in quantity, but the quantity of the offer, rasher bullocks has been very much reduced, but consistent.

Now that the hoard has instituted a stricter class of beef, combined with an increase in the supply of younger calves, I feel confident that the popularity of our chilled beef in the English market will continue to expand.

The fact is that it is a matter of time before the trade will be as good as the trade in the past. It is a matter of time before the trade will be as good as the trade in the past. It is a matter of time before the trade will be as good as the trade in the past.

HIGH STANDARD OF BEEF

DANGER OF CESSION TO HITLER

"CRIMINAL ACT"
Probable Treatment of Natives

Addressing the Deutsche League in London on Monday, Mr. H. M. Byrd, M.P., writer of East Africa, said this week, strongly expressed his opinion that Germany would not be so generous to Africa as she has been in the past. He said that Germany would not be so generous to Africa as she has been in the past. He said that Germany would not be so generous to Africa as she has been in the past.

Mr. Byrd's remarks on the probable treatment of natives in the territories in Africa.

The British cabinet on that point, however, is of the opinion that the territories in Africa are not so important as they were in the past. He said that Germany would not be so generous to Africa as she has been in the past.

"Slovenly" Male Garb

TAILOR'S OPINION
Deplorable Tendency of Modern Times

"The most serious problem in tailoring today is the tendency of men to be slovenly in their dress. This is a deplorable tendency of modern times. It is a sign of a general decline in standards of dress and appearance. Tailors are concerned about this because it affects their business and the quality of their work. They are trying to do their best to provide better service and more stylish clothing to their customers, but the general public seems to be losing interest in well-tailored garments."

RADIUM-SODIUM FOUND DEVELOPED

MANY ADVANTAGES IN TREATMENT
Significant Discovery

Artificial radium is being rapidly converted into sodium. The work is being carried out by the *Research Institute of the University of London*. This discovery is significant because it opens up new possibilities for the treatment of various diseases. Radium is a powerful radioactive element, and its conversion into sodium could make it safer and more effective for medical use. Scientists are currently testing the effects of this new substance on various types of cancer and other ailments. The discovery is expected to revolutionize the field of radiotherapy in the near future.

Mr Bernard Shaw Thanks Tailor

LETTERS IN COURT
Made Him Look So "Very Smart"

Letters from Mr. Bernard Shaw to his tailor, in which he expressed appreciation for being made to look "very smart" were read in court at the *Central Criminal Court*. The letters were written to the tailor, *Mr. J. H. Shaw*, of *20, Abchurch Lane, London*. In the letters, Shaw praised the tailor's skill and craftsmanship, and expressed his satisfaction with the quality of the clothing he had received. The letters were read in court as part of a legal case involving Shaw and his tailor. The judge commented on the letters, noting that they showed Shaw's appreciation for the tailor's work and that they had made him look "very smart."

Courtcraft Nearly At His Best

GAINSFORD CANDIDATES ARE ALL WELL FORTH

Disdain Impunity At Awapuni

(By MOTOHUA)

With the Christmas racing hot a fortnight off, interest in being widely evaded in the Woodville meeting...

On that track Plummer ran a good five furlongs with the Gaberone mare Gaining Light and Fern, who is engaged the second day, but still stablemate, Ladda, Courtcraft also galloped well.

The A.R.C. Railway Hacking favourite, Daddan, and the crissie mare at Awapuni, where she shall arrive. The Blunnie also worked off attractively. Thoroughbred, and General Boney pleased their admirers, while Ponetti drew attention to his prospects with a brilliant show display.

Despite the number of horses engaged from this district there was little really interesting work at Hastings, as that Jack Bay and Courtcraft ran a solid six furlongs, and General Threx and Hagen showed pace over five furlongs.

FINAL WOODVILLE GALLIOPS

COURTCRAFT WELL

The Woodville track was in perfect order yesterday morning, the track ready for the Woodville day.
