THE RETURN OF GERMAN COLONIES DISCUSSED

Experienced Visitor's Views On An Important Subject

By Telegraph-Press Association. (REIMS) CHURCH, Dec. 11.

The return to Germany of her former possessions in Africa would mean the ultimate loss of all Britain's territory, according to a report received here from a German visitor...

There appeared to be little prospect of the United States Government's backing the British proposal for the restoration of the mandate system...

General Smetz and other former leaders of the militant League of Nations were quite backing to the work, but others were lukewarm.
