CROMB'S GRAND INNINGS IN PLUNKET SHIELD GAME

Canterbury Side Makes A Good Recovery, But Match Goes To Auckland

By Telegraph-Press Association. CHRISTCHURCH, Dec. 28. A grand innings by I. B. Cromb of 126 not out was the feature of Canterbury's great recovery in the second innings of the Plunket Shield match against Auckland, which was won on a wicket.

The innings closed for 252, leaving Auckland 288 to get to a century.

The fall of three wickets for 41 runs greatly improved Canterbury's chances of a win, but rain came back to hamper the match and severely handicapped the bowlers.

The first innings of the match was a very close contest for the loss of three wickets, and so the match by five runs and a century.

The weather in the early part of the day was fine and the cricket in good order for batting, but there was only a moderate afternoon.

Some interest was manifested in the opening innings. With the rain coming in the first innings, the wickets dried for 22 1/2 minutes and the batsmen were not allowed to bat for 15 minutes.

SMOKE SCREEN SMASHES MILE RECORD

New Figures in King's Plate

FIRST NEW ZEALANDER TO BREAK 1.30

Derby Colts Also Ran Impressively

Records are made in the midst of the enthusiasm over Smoke Screen's 1.35 3/4 for the mile in the King's Plate yesterday at Ellerslie, one wonder who will clip the Derby's tail...

Strangely enough, it was this year—then known as the New Zealand Derby—run in the name of the late Sir James O'Rourke...

Last year a fresh New Zealand record was established by the O'Rourke colt Courageux when he won the Derby by his victory time that was equalled less than a month later when Woodley carried off the trophy in the January Handicap at Trentham.

All honours to Smoke Screen for his fine performance yesterday, and to those dignitary rivals, Stray, Gray, Gem and Gipsy, who were responsible for fully testing this brilliant Limited gelding.

DAVE MARKS has Smoke Screen's race card and the supporting figures for the King's Plate yesterday and will be glad to explain the way it stands if the Field requires any further information...

One of the most improved young horses in the country is the 3-year-old gelding, Smoke Screen, who was bred by the late Mr. J. H. Gifford and was trained by Mr. J. H. Gifford...

Smoke Screen was not so much in the stable as a yearling at Woodville. He was sent to the stable at the age of two and was there for some time before he was sent to the stable at Woodville...
