WAIWARANA'S MAIDEN VOYAGE—The three, David and Alton Company's new motor-boat liners about the day and lighters in the wharves.

PLIGHT OF THE MAN ON AVERAGE FARM WORK

Minister of Labour Outlines His Ideas On The Requisites For The Supply Of Men

By Telegraph—Press Association. AUCKLAND, Dec. 29.

"There is a greater supply of labour awaiting farmers to draw upon than has been the case for some time past."

Unfortunately, some farmers in the north of New Zealand are seriously handicapped through lack of accommodation for labour."

The Government's intention in the near future will be to make money available to farmers at a low rate of interest for a full accommodation for labour."

According to the latest advice from the Home Office, the number of immigrants from the Department of Education, 25,000, will be sufficient to supply the requirements on the farms where accommodation is available."

DEFAULTER SHOULD WIN THE DERBY

Opposition For Champion RECORD MAY BE MADE ON A GOOD TRACK

Comment On Hastings Runners

(By NOTORIAS) "Defender's New Year sprint is the general assumption of the Great Northern Derby, the event of primary importance in the Auckland racing calendar. It has added considerable interest to the event and it is on the track of the Auckland Jockey Club that the Derby of the Recreation champion of his best this season.

Defender is not thought to have his own race, but if the holiday form is as good on the day, and good track conditions, he is probably to record a win.

Defender has increased his admirers by his attractive win in the Queen's Plate and his solid finish fourth place in the record-breaking King's Plate on Wednesday. Indeed his form has confirmed the opinion that every race was a new thing.

Gay Sny has gained time to Smoke Screen and Street in the "New Year" race, but it is to be expected that Old Bill will make more appeal on Auckland form than either of these.

The Box has not done as well as expected since he had the Great Northern Derby, but he is to be expected as an interesting competitor. He set the main in the King's Plate and it is hoped that he will be a good runner on Monday.

Victory form cannot be discounted, as Amias, against the first day, won the Hastings Handicap in runaway fashion. He is expected to be back in the Auckland two-mile-off form.

There is in the Galas siver, Perlow, who ran a first second in the Manawatu Cup, followed by a come from a long way back three furlongs from home.

Nevertheless, Defender should win, but he will be tested there and it is thought that the Hastings, Old Bill, and Gay Sny are all those who carry him in the death.

HASTINGS will be the venue of the first day of the New Year racing, and it is expected that the first day of the New Year racing will be a very good one.

Both open teams have shown some form, and the New Year racing will be a very good one. The Hastings Handicap will be a very good one.
