RARE ANTIQUES VIEWED WITH PLEASURE Exhibition at Hastings Women's Community Club

It was with feelings of interest and pleasure that the beautiful antiques, shown at the special afternoon held at the Hastings Women's Community Club yesterday, were viewed by the members and other visitors.

The treasures presented were not very often viewed and yesterday the members who exhibited, as well as those who admired, enjoyed a very pleasant afternoon.

The flowers arranged in the display boxes were particularly colorful and lovely. Many of the vases and the other objects of pink and blue and pink, aqua, white and similar colors, and that look were arranged with deep pink carnations.

A beautiful music program was given by the members of the club, and the afternoon tea was served in the room which had been decorated for the occasion.
