For these THREE reasons VAUXHALL 10 gives you more for your money

1. YOU GET MORE THAN 40 MILES PER GALLON

Proceed by Actual Test 45.78 miles per gallon—in a test run between Auckland and Wellington—in the record of an ordinary stock model Vauxhall Ten. All records were checked during the trip by an Automobile Association Official acting as observer. No "coasting," no dawdling, no special equipment, and no helping winds... 465 miles at an average

speed of 31.1 miles per hour, and road works with miles of sticky mud! Astonishing! Not at all—Vauxhall Ten owners everywhere are getting similar results, and a South Island test run between Christchurch and Invercargill gave equally good results—45.06 miles per gallon, on top all the way and with no oil consumption—proving that you can get more than 40 miles per gallon in a Vauxhall Ten.

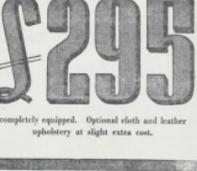

2. YOU GET ALL THESE BIG CAR FEATURES

- * KNEE ACTION SEATING: change riding to gliding even really bad road surfaces.
- * ALL-STEEL, ONE-PIECE BODY: The integral body and chassis of the Vauxhall Ten is welded into a strong, firm, Torsion-top unit that is dust-proof, flame-proof, and sound insulated.
- * NO-DRAUGHT VENTILATION: found on the Vauxhall only among English cars, means as much fresh air as you want without draughts.
- * HYDRAULIC BRAKES: give a smooth and positive straight-line stop.
- * BODY CONFORMITY SEATING: a system of springs sprung on springs, from the longest drive from fittings.
- * SILENT SLIPER SYNCHROMESH Gears: mean gear-changing quiet and utterly simple.
- * ARMOUR-PLATE SAFETY GLASS: ALL ROUND means positive protection and the standard in safety.
- * EXTRA HEAD AND LEG ROOM: sufficient for feet six-toes to ride in comfort.
- * VALVE-HEAD ENGINE: for greater power from every gallon of fuel, for longer life, greater dependability, greater accessibility and more oil economy.

* EXCLUSIVE TO VAUXHALL in the 10-HORSEPOWER CLASS

3. YOU GET MORE VALUE FOR YOUR MONEY

FOUR-DOOR SALOON FROM

Ask your Vauxhall dealer for a Vauxhall Value Guide, and compare the Vauxhall Ten with any other car you buy. Then ask—what other car can give you better than 40 m.p.g. economy; what other car at this price can give you so many worthwhile features? Call in and see the Vauxhall at the nearest show-room. Ask for a demonstration ride. If you're planning to buy any car, the Vauxhall Ten first.

For the buyer who wishes to purchase out of income, numerous means may be arranged on the Confidential Car Hire System based on the Hastings Municipal Council's Car Hire Scheme.

AVOID DRY STARTING

The New Shell Motor Oil prevents dry-starting, one of the most prolific causes of cylinder wear. The New Shell Motor Oil is fortified with an exclusive oiliness concentrate, which makes the oil cling to cylinder walls and bearings instead of draining off when the engine cools down.

Ask your local Shell dealer to drain and refill your engine with the New Shell Motor Oil.
