DYNAMIC DEVELOPMENT: CZECH CABINET RESIGNS

SENSATIONAL NEW TURN

ANOTHER CABINET TO BE FORMED IMMEDIATELY

STRONG HINT THAT CZECHS MAY "NOT DESERT OWN CAUSE"

An Anzio Prague message later says that it is reported that the Czech Ministry's resignation is imminent. Dr. Hodia has appealed to Dr. Benes to form a new national anti-military Government. The military government says that the Government has formally resigned, but that it will continue to function until a national Government is formed.

IMMEDIATE SETTLEMENT IS DEMANDED BY POLAND

NOTE HANDED TO BRITAIN: THREATS AGAINST CZECHS

CEDING OF TESCHEN AND MARISCZ (OSTRAU)

United Press Amsterdam—Copyright. (Received September 22, 9 p.m.) LONDON, September 22. The "Daily Mail" Prague correspondent says that it is reported that the Poles insist on their demands for the ceding of Mariscz Ostau, although only 30 per cent of the 125,000 inhabitants are Poles. The London "Daily Herald" says that the Polish Ambassador has handed the Ministry of Foreign Affairs (Lord Halifax) a Note demanding an immediate settlement. A Warsaw message states that the Polish Foreign Office has noted a statement that the Government reserves full freedom of action for negotiating Polish interests in Teschen. It adds that Czechoslovakia has not fulfilled the promises regarding Teschen reached in 1921. "It is deplorable," it states, "that in the past produced after the London talks, Polish legitimate claims have not been given attention." The Polish Minister in Prague, says a later message, handed a Note to Dr. Kofald, demanding that the Polish Ministry be granted the same treatment and privileges as the Sudeten German.

Jeers At Britain And France: Unity With Poland, Italy And Germany

United Press Amsterdam—Copyright. (Received September 22, 11 p.m.)

United Press Amsterdam—Copyright. (Received Sept. 22, 1:30 a.m.) Mr Chamberlain took off from Heston for Godolings at 10:45 a.m. In a farewell speech he said: "A peaceful solution of the Czech problem is an essential preliminary to better understanding between the British and German peoples. That, in turn, is an indispensable condition of the European peace which is being aimed at." "I hope my journey may be helpful to us."

The assembly ended the slogan: "Down with Prague and Hodia! We want every thing back!" They greeted Britain and France and said: "Germany, Italy, and Poland are friendly nations. We support the Government of London. We have discussed with Herr Hitler the whole Czech problem. We most support the United Kingdom Party in Czechoslovakia in their endeavour to obtain complete auto-determination." "Everything will be done to see that the Hungarian people do not get more than the Sudeten."

United Press Amsterdam—Copyright. (Received September 22, 11:10 a.m.) ZEPHARY. Sept. 22. Deputy Bartoczek, speaking at a torchlight demonstration in Budapest, declared that the hour had struck for crushing Hungary's wrong. "Hungarian politics is ended," he said. "Thirty million Hungarians demand the return of a nation separated from her."

LONDON PROPOSALS TO BE SUBMITTED TO HITLER

REQUEST FOR PEACE GESTURE

WILL GERMAN DEMAND MORE?

"The Times" says it is understood that Mr Chamberlain is taking the following proposals to Hitler: (1) An international commission for the demarcation of the new frontiers of Czechoslovakia and for the exchange and transfer of population. (2) Immediate demobilisation. (3) A joint appeal from Herr Hitler and all parties concerned for peace and order in an interval necessary to effectuate any agreement reached. (4) Certain guarantees, including economic, for the maintenance of the integrity of the new Czechoslovak State. The London "Daily Telegraph" Berlin correspondent learns that the Godolings meeting will be divided into two parts. Thursday will be devoted to the German claims to recover the Sudeten, and Friday to the question of authorizing Italy and Hungarian demands, and what is left of Czechoslovakia will be discussed. The Paris newspaper "Petit Parisien" declares that the Anglo-German conference to Herr Hitler's "Berthelshagen" will be very important. It says that the negotiations should be favourable. The journal declares: "The time has now come, then, everything is favourable and it should be settled in the game of diplomacy."

The New York "Herald Tribune" Washington correspondent says that although Hitler is reported to have told Britain and France to continue to fight, he will not give up the Sudeten and French for their demands. It would cut a million dead and give 15 million more to Hitler. It would also cut a million dead and give 15 million more to Hitler.
