LETTERS to the EDITOR

Private Schools
 Sir, - Being a recent reader of your paper and much interested in the "Private Schools" article published in your issue of the 22nd inst. I am writing to you to express my views on the subject.

As a preliminary remark, I would like to say that I am not a member of any of the "Private Schools" mentioned in your article, but I am writing to you to express my views on the subject.

I quite agree with you that the "Private Schools" are not doing much to help the "Public Schools" in the way of providing for the education of the children of the poor.

It is true that the "Private Schools" are doing much to help the "Public Schools" in the way of providing for the education of the children of the poor.
