NOW WITHIN 2 MINUTES BOIL WITH RINSO

SCIENTIFIC WASHING TESTS REVEAL SHORT CUT TO DAZZLING WHITENESS

How New Method saves work, time and money

SCIENTIFIC washing tests just completed have revealed an amazing washing-day short-cut, possible only with Rinsol. From now on the grey wash will take only a fraction of the time and trouble, and the bills will be cut to the barest minimum. All other washing methods are definitely out because this new 2-minute boil with Rinsol gives marvellous results and is perfectly safe for every item of washing.

Only 2 minutes' actual boiling in Rinsol gets clothes a clean, brilliant white. This has been proved under all conditions but is possible only with Rinsol.

It is impossible to calculate the vast difference that this new washing method will mean. Women will have hours more freedom. Washing day will be just like any other day in the week, a tremendous change from the old-fashioned day of drudgery.

GAS BILLS CUT DOWN

By the use of soap, water and a 2-minute boil with Rinsol, you can save a considerable amount of money on your gas bills.

HUSBAND DELIGHTED

It is the only method of washing that will give you a clean, brilliant white, and it is so simple that even a child can do it.

HARD RUBBING A THING OF THE PAST

Just a high heat with a little dry soap and water will do the work of hours of hard rubbing.

WISER WOMEN USE RINSO FOR WASHING-UP, TOO!

Washing-up with Rinsol is just as simple and effective as washing clothes.

How to wash your clothes by the NEW RINSO 2 MINUTE BOIL METHOD

So simple, so quick, so effective. Shake Rinsol into warm water to make a good soup (about 1 heaped tablespoon to a gallon - more in hard water). Whirl up well.

1. Soak white articles in luke-warm Rinsol suds for 30 minutes, mark a little dry Rinsol on stains and marks.

2. Bring to boil and BOIL FOR TWO MINUTES ONLY.

3. Rinse thoroughly. NOTE: Very dirty articles should be left to soak in Rinsol suds for an hour or so before boiling.

JUST SPINKLE RINSO IN THE WATER and WHEEK. LATHER INSTANTLY - NO OTHER SOAP NEEDED.

WHY RINSO ALONE MAKES NEW METHOD POSSIBLE
Rinsol is a powerful disinfectant and germicide. It kills all germs and bacteria. It is also a powerful stain remover. It is the only method of washing that will give you a clean, brilliant white, and it is so simple that even a child can do it.

WISER WOMEN USE RINSO FOR WASHING-UP, TOO!
Washing-up with Rinsol is just as simple and effective as washing clothes.

UNEXPECTED EASE FOR YOU
Rinsol is the only method of washing that will give you a clean, brilliant white, and it is so simple that even a child can do it.

FRIEND BRINGS SENSATIONAL NEWS

There's nothing more sensational than the news that Rinsol is the only method of washing that will give you a clean, brilliant white, and it is so simple that even a child can do it.

THE RINSO METHOD FOR YOU

So simple, so quick, so effective. Shake Rinsol into warm water to make a good soup (about 1 heaped tablespoon to a gallon - more in hard water). Whirl up well.
