PARTY FROCKS FOR GIRLS
Juvenile Styles This Season Combine Simplicity With Charm

Adult fashions influence juvenile fashions to some extent and girls' frocks are no exception. The modern girl's frock is a combination of the styles of her mother's clothing and the new developments in the line of the new season's frocks.

ANKLE LENGTH FROCKS
A frock length of the choice of most girls in their line, but others like the "knee-length" frock. The modern girl's frock is a combination of the styles of her mother's clothing and the new developments in the line of the new season's frocks.

Pretty Country Wedding
RECENT EVENT
Churchch Bride at Crimmoidee
TWO MAIDS

A pretty wedding took place at the Church of the Epiphany, Crimmoidee, yesterday, when Lorraine Marie, daughter of Mr. and Mrs. L. L. Lalo, Christchurch, was married to Gordon Paul, son of Mr. and Mrs. C. C. Chapman, Crimmoidee. The ceremony was performed by the Rev. Canon T. C. Caldwell, and during the service the hymns, "The Voice That Breathed 'O'er Eden'" and "How Welcome Was the Child" were sung, with Miss E. Webb assisting at the altar.

LEADER'S WORDS MISPRESENTED
Indisputably, it was reported that Mr. Lovell Smith, an eminent general manager of the Trust Company, had said that the modern girl's frock is a combination of the styles of her mother's clothing and the new developments in the line of the new season's frocks.

PICTURES OF RAILWAY DISASTER -- "DAILY MAIL" CAMERAMAN RUSHES TO SCENE

THE FATAL BEND ROUND WHICH THE TRAIN SWUNG TO DISASTER—This photograph gives a clear impression of the railway track leading into the point of the actual crash in the cutting. The train was travelling north, and the photograph was taken looking south.

AN ALMOST INVINCIBLE TANGLE AT THE CENTRE OF THE SMASH—This photograph gives a graphic view of the central scene in the railway disaster which occurred at Eureka in the early hours of Sunday morning. The twisted and mangled metal of the carriage frame in the early hours of Sunday morning. The wreckage was left in a tangle, and as the engine and one carriage remained on the track on the left the following carriages burst their way through a traffic which which left this V-shaped gap in the bed of the cutting.

RIPPED FROM ROOF TO AXLE—striking testimony to the terrific force of the impact as this carriage forced its way past the wreckage of the engine and another carriage. In this carriage some were badly injured, some were badly injured, and some had miraculous escapes.

CLIMBED THROUGH WINDOW TO SAFETY—Gordon Barrie, of Wanganui, who was one of the cameramen who had a miraculous escape from the wreckage. He is shown here climbing in the window through which he obtained in safety after the smash. The carriage was thrown heavily and many were injured.

THE ROOF OF THE WRECKED CARriage REACHES THE TOP OF THE CUTTING—Taken from the left of the cutting as it was approached from the north, the engine and following carriage being against the bank. Passengers were trapped on the bank side.

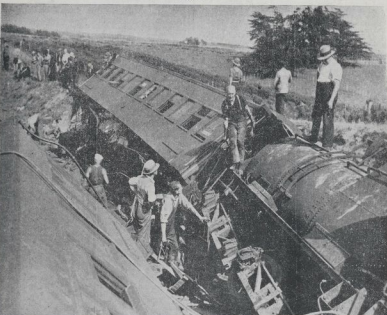

"DAILY MAIL" PHOTOGRAPHS

Special photographs appearing in the newspaper may be ordered at our Napier or Hastings office at the following prices—

- BLACK AND WHITE GLOSSY FINISH, UNMOUNTED
 - 6 1/2 in x 4 1/2 in 1/6 each.
 - 8 1/2 in x 6 1/2 in 2/6 each.
- Terms—Cash with order.

IMPROMPTU FIRST-AID ARRANGEMENTS ON BANK—Fortunately there was one doctor on the train and with the aid of willing assistants the injured were rescued and carried to the top of the cutting for attention. Pillows, seen in the foreground, mark the spot where first aid was rendered.

HOW THE FIREMAN WAS TRAPPED IN HIS SPLINTERED CAR AMID THE WRECKAGE—This photograph of the general tangle indicates the fearful plight of the fireman who was trapped on the left hand side of the cab as the engine stopped. Steam and boiling water scalded him terribly.

struggle for power and influence in the region.
