

STRANGE AND BIZARRE
Idiosyncrasies
Run Riot in Hollywood

The world has long looked on Hollywood as a place where the strange and bizarre are common. It is a place where the idiosyncrasies of the stars are often the subject of newspaper headlines.

It is not surprising, therefore, that the stars of Hollywood should be the subject of such a wide variety of reports of their peculiar habits and ways of living.

One of the stars of Hollywood is a woman who is known for her peculiar habits. She is a woman who is known for her peculiar habits and ways of living.

Another star of Hollywood is a woman who is known for her peculiar habits. She is a woman who is known for her peculiar habits and ways of living.

There are many other stars of Hollywood who are known for their peculiar habits. They are stars who are known for their peculiar habits and ways of living.

THE HEART OF THE POWER SUPPLY TO THIS AND OTHER NEIGHBOURING PROVINCES. There has been great public interest in the hydro-electric works at Waikaremoa since the announcement of the Government to plan them. These new great dams at Waikaremoa will generate the power for the whole of the North Island. The upper picture shows the main control room with its mass of intricate equipment. The lower picture shows the plant which, as the photograph shows, control the workers who tend the plant.

GREAT ATTRACTION FOR OVERSEAS AND NEW ZEALAND HOLIDAYMAKERS: NAPOIER.—This aerial photograph of the famous Bay of Plenty coast was taken by a "Dinky Boy" aeroplane the week.

HALF OF THE CITY OF DUNEDIN IN WALES SOLD BY ONE PROPERTY DEALER.—A night controller announced that the Government of Wales has sold for five million pounds the Ministry estate of 200,000 acres in South Wales, including half of the city of Cardiff. This photograph is of the core centre of the city.

FOUR COLONELS ALARMED AT TERRITORIAL POSITION

Manifesto Draws Attention To Insufficient Numbers

By Telegraph-Press Association.
AUCKLAND, May 13. The view that the statement on defence made at Dunedin by the Minister of Defence (Hon. F. Jones) in his manifesto is expressed by four senior officers of the New Zealand Territorial Force, two of them well-known in Hawke's Bay, in a manifesto.

The officers, all of whom formerly commanded brigades after discharging an interview with the Minister of Defence (Hon. F. Jones), placed on record the following observations regarding the Territorial Force:—
1. That the present organisation and establishment of the New Zealand Territorial Force is inadequate for the defence of the Dominion.
2. That the number of volunteers trained and in training is insufficient to meet the requirements of the Territorial Force.
3. That the standard of physique and training of the service volunteers is not high enough to meet the requirements of the Territorial Force.
4. That the present organisation and establishment of the Territorial Force is inadequate for the defence of the Dominion.

The officers signing the above manifesto are: Colonel H. H. H. Jones, who served with the 1st New Zealand Expeditionary Force in the Middle East; Colonel H. H. H. Jones, who served with the 1st New Zealand Expeditionary Force in the Middle East; Colonel H. H. H. Jones, who served with the 1st New Zealand Expeditionary Force in the Middle East; Colonel H. H. H. Jones, who served with the 1st New Zealand Expeditionary Force in the Middle East.

FIRST BASKETBALL IS FAST AND EXCITING Hastings Games are Reviewed: Many Promising Players

The games however, are of lively tempo, and the general excitement of spectators on the farways makes the judgment of distance to baskets in the longer balls a fairly difficult matter.

The first book present in the book, where the game is played on the top of the bank, increased the excitement of the spectators, and the running parallel to the event.

The second, a short book, is devoted to the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The third, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The fourth, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The fifth, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The sixth, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The seventh, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The eighth, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

The ninth, a book on the organization of the game, and the book is written in a simple and readable style, and is well illustrated with diagrams and photographs.

Some interesting and exciting basketball games were seen in the opening competition, and the exhibition of Howard's boys' strength was particularly noteworthy.

The High School & M.S.G. match saw the School players play their best ever game, and the West End team played very creditably in Coventry.

Some promising players were seen in the opening competition, and the exhibition of Howard's boys' strength was particularly noteworthy.

AUSTRALIANS HAVE MADE FLYING START Twelve Centuries Scored in Five Matches: Bradman Heads Averages

Probably no Australian cricket side has been so well as the one at present touring Great Britain. With four matches completed, the Australians have had five times victories, and in the fourth, where they had the situation well in hand, play was abandoned because of rain.

Already six different batsmen have topped the century. Bradman has scored two double centuries and Hawke's total of 1100 has been the highest score made since the tour.

The former pair had more of the game, but their partners have been equally successful. The batsmen, apart from Bradman, have been very successful in finding their way, and the batsmen have been very successful in finding their way, and the batsmen have been very successful in finding their way.

The former pair had more of the game, but their partners have been equally successful. The batsmen, apart from Bradman, have been very successful in finding their way, and the batsmen have been very successful in finding their way.

Kiwis v. Havelock

On the Kiwis-Havelock match, the Kiwis were the victors, and the Havelock team played very creditably in Coventry.

STILL THE MOST BEAUTIFUL THING ON WHEELS STILL THE MOST SATISFYING CAR TO OWN & DRIVE

PONTIAC AGAIN OUTVALUES THEM ALL FOR 1938

More people chose Pontiac last year than ever before. The new Pontiac has heightened its beauty, stepped up its performance and added to its safety. Every proved and tested feature is retained; wide doors, roomy interiors, Kneecap Action Wheels, No-Draught Ventilation - for condensation, Styrene-Mesh Grates, Center-Point Steering, Wide-Angle Vision.

For driving ease: Insulated Solid Steel Turf-Top Hydraulic Brakes, Safety Plate Glass - for safety. Its sweeping lines again earn for it the reputation of "The Most Beautiful Thing on Wheels". Its engine performance, velocity smooth, is even more outstanding, as an acceleration of 0-60 m.p.h. in 20 seconds proved.

But even more gratifying than the amount of motor performance that Pontiac gives, is the fact that it will continue to give it years after other cars are obsolete. 84% of all Pontiacs ever sold are still in active service. Life added, to all that makes Pontiac desirable, ensures that Pontiac again outvalues them all!
