BLUE Stops Your Clothes from Turning Yellow

When you come to the last row remember to add Reckitt's Blue to your clothes. No extra effort.

RECKITT'S BLUE

Out of the blue comes the whitest wash!

THE exact IRONING HEAT YOU WANT

It's only the softest by mechanical means that can control it. Reckitt's is the newest household which saves pressure waste. Run simply and save space and heat and dole of it in the ironing. How convenient! By simply turning the knob you can immediately regulate your heat to any one of the five temperature settings. The exact heat you want for wool, linen, cotton, or dry.
