PALESTINIAN BACKGROUND

THE CHEQUERED HISTORY OF A COUNTRY MUCH BESET BY TROUBLES

The great problem of Palestine is undeniably without a knowledge of the history that he laid it. No other problem of our time is rooted so deeply in the past. The land where conflict now rages is crisscrossed by three world religions—Judaism, Islam and Christianity.

From that, Palestine came into being. The Jews returned to the land after the Babylonian captivity. The Christians came to the land after the death of Jesus Christ. The Muslims came to the land after the death of Mohammed.

TWELVE YEARS' SENTENCE FOR HERCOCK

Supreme Court Trial Concludes

CHIEF JUSTICE REFERENCE TO TRIAL OF MRS AVES

Responsibility of Former Juries

After a jury had found Colin Herbert Hercok, aged 21, Hercock's assistant, guilty of the manslaughter of Mrs. Aves...

Before pronouncing judgment, His Honor referred to certain evidence of the jury...

No evidence was called for the defense, numerous members being taken up with certain of the Crown Prosecutor Mr. H. L. Lamb...

Hercock appeared very strained while waiting for his name to be called to the court...

When sentence was given, he stood staring about for some time after, but apparently not comprehending what was being said...

His Honor then proceeded to read the verdict which should have been in favor of the defendant...

Hercock then drew up to Mr. Aves, who was seated next to him, and said, "I am sorry that I have done this to you..."

A WOMAN'S HEROISM IN THE GREAT WAR

Remarkable Experiences Of A Belgian Nurse Now In Napier

The British public are inclined to be critical of the unforgetting attitude of the French and Belgians towards the Great War...

There is a woman in Napier at the present moment, however, who has no recollection of anything like her present position...

She is Miss M. Hill, now of Christchurch, who was Miss Maria Simon when the Great War broke out, and was serving as a nurse in Belgium, at a present visiting Napier...

It is a pity that there are few women, of any age, who had such experiences of the hospitality of humanity as Miss Hill.

She is the widow of the German Consul of Belgium from August, 1914, this courageous nurse lived through a series of events which bids to make the most hard fortune place to modernity.

A close friend of Nurse Edith Carr, an old inmate of the Napier Hospital, who had been married to a German, Nasser Simon, she had been married to a woman for 40 years.

She lived happily with her husband until the outbreak of the war, when she was called upon to serve her country as a nurse in Belgium.

She was in Belgium when the German planes started to bomb the cities, and she was in the front lines when the German army advanced.

Catalogue Ships Melbourne Cup Field ANOTHER WIN FOR NEW ZEALAND

Remarkable Career Of Awapuni Gelding TRIUMPH FOR WOMAN TRAINER

(By MOTORBOA) The Melbourne Cup of 1938 is over. Fresh Turf history can now be written and the record books can be filled with remarkable New Zealand victory. All lands are being opened up for an equal contest...

The Melbourne Cup is a fitting record for yesterday's racing season. There have been few more consistent horses in competition in the Dominion from the day he filled out starting in the Derby and other classics...

It was only by bad luck that Catalogue missed winning the last Wellington Cup but for him to get the breaking down of a Turf today by being the first horse to win the Winner Cup twice.

MRS A. M. McNICOLL, trainer, has a fine record in the history of the Melbourne Cup. She has trained Awapuni to win the Cup twice, a feat not only a record but a triumph for a woman trainer in the history of the race.

How he was reared by Messrs J. H. and E. L. H. is a story in itself. Awapuni was born in 1928 and was reared by Messrs J. H. and E. L. H. in the stable of the late Mr. J. H. H. at the farm near the city.

As a yearling and a two-year-old he was sold to Messrs J. H. and E. L. H. for the sum of £100. He was then trained by Messrs J. H. and E. L. H. and won the Wellington Cup in 1937 and the Melbourne Cup in 1938.

His career has been a remarkable one. He has won the Melbourne Cup twice, a feat not only a record but a triumph for a woman trainer in the history of the race. He has also won the Wellington Cup and the Derby.
