Final Gallops Staged at Hastings

(By MOTORBOAT)

With good fields of well-worked horses and a track favouring the individual race, the Napier Park Racing Club is in the happy position of being able to offer engagers invigorating, handicap racing for the first time for the fortnight meeting at Napier Park to-morrow.

There is a plenty of material for form followers to consider, as the majority of horses engaged have been seen in action at meetings held in the past few months, and indications are that form will prove a fairly reliable guide.

MAJESTIC CHALLENGER who tops the list in the Park Stakes meeting is a horse who has been seen in the province and was a great winner over the country last season and in the early part of this year. However, for the purpose of the weight he carries in this race, he has been, for all practical purposes, a non-runner.
