REFLECTIONS ON THE AMERICAN ELECTIONS

Was Trend Away From New Deal As Marked As Had Been Believed?

Local Press Association—Copyright.
 (Received November 10, 8.40 p.m.)
 A continuing election returns throughout the day made the Republican gains increasingly impressive. It became equally clear to observers that it would be useless to consider the possibility of a re-election of the New Deal.
 Actually many Republican voters in high office consider the New Deal a failure. The great majority of the Republican voters are known to support a social legislation policy even more radical than many confirmed New Deal Democrats are prepared to accept. Furthermore, the return in several States, such as Pennsylvania, Massachusetts, Kansas, and Idaho Island, to the Republican column should not be surprising, since until the advent of Franklin Roosevelt, the national scene these States was traditionally Republican.

Only LUX is safe enough for washing baby's nappies... BECAUSE Lux dissolves so quickly... RINSES OUT SO COMPLETELY

Don't let your precious baby suffer the discomfort and soreness of harsh nappy changing. Always wash nappies with Lux to keep them always as soft as baby's tender skin.

Why Stain-Dissolving Soap Leaves Nappies Harsh When you rub nappies with stain-dissolving soap a certain amount of the soap sticks in the weave and can't be rinsed out. This causes your baby's nappies to cause the harshness that you set up irritation on baby's tiny limbs... Lux Hinges Right Out Easily... The lightning solution of Lux nappies quies, soft, through rinsing... For all Baby's clothes... It's FALSE ECONOMY TO USE ANYTHING BUT Lux
