Orgy of Destruction in Germany

PROPAGANDA MINISTRY ASSUMES RESPONSIBILITY

Traff of Damage Left in Vienna

Prison Press Association-Copyright.
 (Received November 11, 6:30 p.m.)

LONDON, Nov. 10. The orgy of destruction of Jewish property throughout Germany continued last night on an unprecedented scale in Vienna, in the city of Dr. Fuhrer, secretary to the German Embassy, who a few days ago was shot by a young Polish Jew.

When Stanley Dr. Goebbels ordered the cessation of the destruction, reports from all parts of Germany advised that 10,000 Jews were arrested and that at least 10,000 shops were wrecked.

With few exceptions all synagogues were smoking ruins. The great destruction was carried out under the supervision of Ernst Thoma, a vice-minister of the interior.

A Berlin message says that crowds were still parading the streets at 11 p.m., but that the police were in complete control.

Goebbels's order to cease the demonstrations against the Jews was retroactively issued.

The ministry of Propaganda had Bentler's Agency that assumed responsibility in connection with the occurrences. The police were ordered to disperse the demonstrators.
