WELLINGTON CUP THE NEXT PROBLEM

Fresh Handicap Talent
ROYAL CHIEF, CATALOGUE AND DEFAULTER
Great Field For Final Big Cup

(By MOTTURA)

The staying stay tumbled five dynamos at the Auckland summer meeting and performed in poetry in the final event of the season, the Wellington Cup.

A field will look to renew their reputations at Trentham this month in the Wellington Cup, but their form was not so good as they were in their former days, and no talent will be looked for in the list of the handicaps.

The confidants with which the Bumer, Willie Wain, and Quadron were backed for the Cup showed that their connections were satisfied that these horses had done on the right way since their impressive spring efforts. Their form in the Cup, however, suggests that they are not so confident as they were that has trained off, and it is significant that of the 15, only Quadron has been recorded nominations for the Wellington Cup.

For the Wellington event an almost evenly mixed field will parade, with the dual Derby winner, Defaulter, and the A.C.C. Metropolitan Handicap winner and Melbourne Cup favorite, Royal Chief, as well as the Melbourne Cup winner, Catalogue, who is contending to maintain his form.

Royal Chief is undoubtedly a favorite of those in the city who wish to contend to maintain their reputation to-morrow, but, after his Flemington failure, it is unlikely he will receive anything like the second weight of 104 lbs which Advenon won in the 1935.

Defaulter and Catalogue into the field, with as much as possible. It is surprising to find Royal Chief has as reasonable a 95 lbs vintage credit to victory in 1935.

DOUGHERTY'S interest will be in the Wellington Cup 1939 of the 1200 weight race and a great deal of interest will be shown in the race, which will be held on the 15th of the month.

The London, which is held in the Wellington Cup, is a race which is held in the Wellington Cup, and is a race which is held in the Wellington Cup.
